WELCOME TO FIRST CHURCH

You are about to go on a journey through what your spiritual walk can look like at First Church.

Our prayer is that by taking this journey together, we will learn to become fully committed followers of Jesus Christ.

FIVE STEPS ON "THE JOURNEY"

THE JOURNEY...

The goal of every believer is to follow Jesus. Along the way some people drop out and others burn out. Some just settle in and take it easy. But there are some Christians who seem to march to a different tune. Their lives are daring and God seems to work through them in life-changing ways. They are people who don't just know about God, they seem to know God!

So, how do we help people KNOW God? The Bible often pictures the Christian life as a journey.

1 John 2:6, *"Whoever claims to live in Him must walk as Jesus did."*

The Journey keeps us moving in the same direction, and will deepen our walk with Jesus. The path is not a program, it's a way of life.

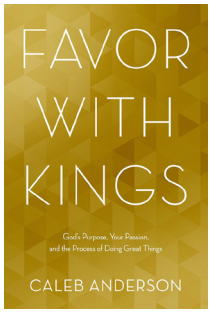
READING AND JOURNALING

Recommended Reading
"Favor With Kings" *by Caleb Anderson*



It's time for you to be you and do what only you can do. This will be the challenge and our focus for the summer; Becoming God's best version of you. We will be going through the Old Testament book of Nehemiah and also utilizing the book, "Favor with Kings," as a supplemental resource to help deepen our study. Feel free to get a head start and buy it now through Amazon or plan to pick it up later in May when we have it available at church. This series, entitled *"The Best Version of You,"* will kick off June 11.
