

JEREMIAH PROJECT

The Jeremiah Project at Hunting Ridge Retreat

Hunting Ridge Retreat is a 350-acre property just outside of Winchester, VA. Joining JP at HRR will provide you with some of the following amenities:

Lodge: The lodge at HRR is where we will all gather together and all of our meals will be served. There is a full service kitchen (with delicious food!) prepared by the live-in caretakers.

Cabins: There are eight A/C cabins each with bunk beds. Every cabin has a bathroom with two showers, two toilets, and two sinks.

Chapel: An intimate setting for our evening program and worship. The chapel at HRR is a favorite place for sharing about the workday and joining together in worship.

Fire Circle: Located “down by the pond” is the HRR fire circle. We will meet here for morning Devos and other large group gatherings.
