

SIGHTS & STORIES FROM THE MINISTRY OF THE JEREMIAH PROJECT

A Great Problem to Have

JP Adds Another Work Camp Week to Meet Demand from Participating Churches

When the economy dipped several years ago, JP saw the need to pull back on the number of weeks it offered as the reality of the lackluster economy impacted churches. But 2013 appears to be a turning point, at least for the Jeremiah Project. We are pleased to announce that JP has added an additional work camp week in Winchester, VA in 2013 due to the increased demand from churches. Praise God for His provision! We look forward to serving with returning churches and we welcome several new churches as well!

A JP work team hangs out at one of the many projects where teams served in the summer of 2012.

JP Campers Give in More Ways than One

Students & Adults Pictched in to Support the Orphanetwork

Four years ago, the Jeremiah Project began choosing one mission organization each summer to support financially. The idea was to help middle school students become aware of other mission organizations that God is using around the world to advance His kingdom and serve those in need. It was also designed to give students an opportunity to give right there at camp and to continue their support once they returned home, should they be led to do so.

This summer, JP campers raised \$2,101.26 for the great work that the Orphanetwork does. To learn more about them, visit www.orphanetwork.org

God Sightings

Stories from Students who Attended the Jeremiah Project this Past Summer

What was amazing about JP is that we were able to see and to share a glimpse of the Kingdom.

By Laura
Koskinen
8th Grader

We could see the Kingdom in the faces of the people we were trying to help. One man gave us popsicles. A woman showed us her daughter's bedroom—a room that was painted by JP campers last summer. Some of the families were more interested in visiting with us than they were in the work we were doing.

And now that we have returned to our comfortable homes, the families in Romney are still facing hardship, but we were able to show them a glimpse of God's love—a glimpse of the Kingdom.

JP Recognizes 10-Year Staffers!

Teryn hangs out with TOP Staffer William in Richmond, VA

Congratulations to Teryn Oglesby Morgan and Sean Gundry for staffing their 10th (but certainly not last) summer with

By Karen
Goins

JP during 2012! Both Teryn and Sean were campers at JP when they were in middle school and know what an important role staffers play to make this a life-changing experience.

Teryn and Sean have blessed the ministry with their talents and, between them, have served in almost every staff position. Teryn has served as a young adult staffer, and Assistant Camp Director, Camp Director, and Worship Leader. Sean has also served as a young adult staffer, an Assistant Camp Director and a Program Director.

JP is grateful to have their leadership, passion for middle schoolers, and their involvement in shaping the ministry. Thank you for your continued dedication to be a part of Christ's work in our world!

Sean receives his 10-year gift at JP this past summer.

Here's a Great Way to Support JP:

Do you like what JP is doing to serve God's people and empower middle school students to be servant leaders? Please consider making a tax-deductible end-of-year donation to JP online!
