

The Bridge is a unique ministry for 5th and 6th grade students. We recognize that this age group is often "stuck" in the middle: too old for young children's activities, yet not mature enough for the youth group. Enter The Bridge, a ministry designed to partner with you as parents to meet the social, emotional, physical and spiritual needs of your 5th-6th grade students. The Bridge meets every Sunday Morning for Bible Study @ 9:45 & Wednesday Nights @ 6:00.

The Bridge exists to help 5th and 6th grade students...

- Grow in their faith in Christ
- Reach out to unbelievers
- Connect with each other so they may challenge those growing in faith
- Discover their own unique, God-given abilities and talents
- Honor God with their lives
