

WALNUT MEMORIAL BAPTIST CHURCH  
 SUNSHINE STATION  
NURSERY MINISTRY

Here at Walnut Memorial we strive to keep your children safe as you participate in a Bible Study or a Worship Service. When you bring a child to the Nursery or Children's Ministry, you will be checked into our Fellowship One database. If you are a member or a regular attender you will get a coded key card that you will scan each time you come to one of the services. You will also have a sticker printed out specific to your child that you must have to get your child when services are over. If you are a visitor, you will be checked in and get a sticker specific to your child. It is very important that you hold onto this sticker to check your child out. You will see that we have staffed nursery workers who all have had CPR and First Aid training, as well as a background check. If you have any questions, comments, or would like to serve in this ministry, you can contact our nursery director Marilyn Rice.
