

**Cavan Carlton**

Executive Pastor

I first walked through the doors at LFCN in September 2009, and officially joined the church staff in January 2011.

After graduating from The University of Texas at Austin in 1996 with a B.S. in Civil Engineering, I went on to receive a Masters in Environmental Engineering and a Masters of Business Administration from Rice University in 1998. From 1998 – 2010, I worked in the oil & gas industry in various engineering, finance, and managerial positions.

I have been married to my beautiful wife Soni since 1995, and we have two children. We moved to Lynchburg in 2002 after living in Texas for ten years. In addition to being a loving wife and mother, Soni is a practicing dermatologist here in Lynchburg.

I have recently responded to the call to full-time ministry and find great joy in serving God and others.

In my free time you'll find me running on the Blackwater Creek Trail, hiking the AT, reading, or relaxing with my family.
