

“Joining a small group has helped Tervuren to feel like home.

Leaders: Ann & Simon Tyndall

Where: Tervuren - Thurs Eve

We would like it to be a group for laughter, sharing, prayer, Bible reading and growing in Christ as we enjoy being with each other, supporting and holding one another up before God. It is to be more than simply a Bible study group more of a small missional community.....with a fully international feel.

SMALL GROUPS

Men's Group - Adam Isaacs & Alan Jolley

WHAT ARE SMALL GROUPS?

Small groups are exactly as they sound. Small groups of people gathering together during the week, usually in peoples homes for community, prayer, Bible study, discipleship and more

Each group is different as it is the people in the group who give each one a unique feel.

WHY SMALL GROUPS?

Small groups are a great way to connect with others in St Paul's. Small groups create a greater sense of belonging and community. They are a place to be encouraged, nurtured, and to grower deeper in knowledge and relationship with Jesus. The smaller relational feel of small groups means that you will feel at home what ever your stage of life or faith.
