1. What has been one highlight of your time in Exodus so far in the first 20 chapters? What has changed you or how you think or what has made some kind of impact on your life in a discernible way?

Read Exodus 20:22-26

2. This passage essentially communicates that we should not violate the first and second commandments in the way we worship. What are some ways that we can either not put God first in worship or else make a “graven image” out of him in our public gatherings?

3. What are some “gods” that we allow to compete with God in our hearts?

4. Why do you suppose that verse 22 is important to this passage?

5. Verse 26 addresses the shame of impropriety in worship – specifically with the revealing of someone’s physical privacy. Modesty can be a difficult issue in church, but why should we pay attention to it?

6. Over this summer break, what is one goal that you would like to achieve that you want to be able to give a good report on when we start meeting again in September?

How will God be glorified through your achievement of that goal?

Pray for each other’s goals and for grace from the Lord to accomplish them for His name’s sake.
