

Dear brothers and sisters in Christ,

This Memorial Day weekend, let us humbly give thanks to God for those who have given their lives in service to this country.

### **An "All American" Picnic**

That's the theme of our parish picnic after the 10:45 a.m. service on Sunday, June 5th. We're going to be grillin' burgers and dogs, if you'll provide the side dishes. It'll be fun and fellowship out on the pavilion for everyone!

Before that, however, at our sermon time, Ken and Esmeralda Hanna and Sami DiPasquale and I will be talking about the expanded ministry that Ken and Esmeralda will be starting this summer. Ken will no longer be teaching at our parish school, but will be focusing on Rey de Paz, our Spanish congregation, and reaching out to our neighborhood. Please don't miss hearing about this exciting step of faith that we are taking in pursuing the vision that God has given us for reaching those who are in the Rio Grande neighborhood.

### **Call to Prayer**

On Wednesday, June 8th, at 6:30 p.m., we will be having another Call to Prayer. The theme will be, "Praying for Missions." We will have worship, and then we would like to pray for all those involved in missions at St. Clements. That includes:

- Our students who are going on the SST this summer in Houston;
- Those going on the Creel mission trips;
- The DiPasquale family, who will be travelling to Jordan for the summer;
- Those who are going with Ciudad Nueva to youth camps;
- Ken and Esmeralda Hanna;
- Teachers in the English Speaking Center;
- Our Parish School teachers and Board;

### **New Head of School**

I am happy to welcome Mr. Rick Betts to be our new Head of School. Rick and his family live in Atlanta where he has been a Head of School for the last several years. He will be starting July 1, so please pray for Rick and his wife, Stephanie. We know that you will enjoy getting to know them. In addition, we are grateful to Nick Cobos for being our interim head this last two years.

### **Greeters Ministry**

We are a very warm and friendly congregation, but visitors may not have the chance to get to know us, if we are all focused on talking to our friends after the worship service. That's why last Sunday we had an organizational meeting for a "Greeters Ministry." The greeters will be available both before and after services to get to know visitors, to show those with children where the childcare areas are, to tell people about our church and to answer questions. If you are the extroverted type (you know who you are), let us know if you would like to be a Greeter! You may call, or email the office or Janet Newsom at: [janetn405@aol.com](mailto:janetn405@aol.com)

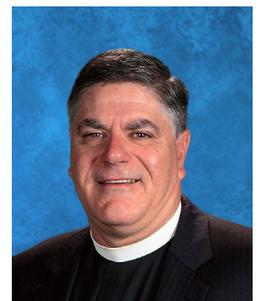

### **A Critical Special Need**

This summer, as we take the step of faith of supporting Ken and Esmeralda Hanna (and their beautiful family!) in an expanded ministry, we need to raise additional income. We put half a year's salary for Ken in our budget, but frankly, our giving has not met that level so far. Therefore, we are asking for additional donations so that we will be able to accomplish this important part of our vision. Please ask God if he may be leading you to help us.

In Our Risen Savior,

The Rev. William C. Cobb, D. Min.

# CHILDREN'S CORNER

Rachel Deegenhart, Children's Ministry Director

Last month I talked about what it means to be a Christian, a follower of Jesus. This month, I would like to share an article that contrasts the Old and New Covenants. I believe that the death of Jesus on the Cross did more than eliminate the need for sacrifices. It changes everything, this is why Paul says in Romans 12:2 that we need to be transformed by the renewing of our minds. This article is taken from a blog by Kris Vallotton, a pastor at Bethel church in Redding CA.

(Matthew 5:43-45) "You have heard that it was said, 'You shall love your neighbor, and hate your enemy.' "But I say to you, love your enemies, and pray for those who persecute you in order that you may be sons of your Father who is in heaven; for He causes His sun to rise on the evil and the good, and sends rain on the righteous and the unrighteous." Have you ever noticed that God is the One who said, "Love your neighbor and hate your enemy"? That's right! Under the Old Covenant, it was God who actually sent the children of Israel into the Promised Land and commanded Joshua to kill everybody in the land...it was the genocide of Gentiles. In the Old Covenant, your love for God was measured by your hatred for those who hated God. Even some of the familiar stories we tell in Sunday school, at their core, reflect this hatred toward the enemies of God. Why did David kill Goliath? Because the Philistines were enemies of God. It reads like a good story until you consider what David was doing—killing people who didn't love God. Goliath and the Philistines were the bad guys because they didn't love God. In fact, Israel's first king, Saul, was removed from his kingship because he extended mercy to a king who was condemned to death. Sometimes we try

to skip over these realities, but it is very important for us to deal with them in a healthy way in order to make a proper comparison of Old and New Covenant realities. The way we understand the New Covenant will determine our concept of New Testament... the New Testament mandate is to love everybody, even the people who don't love us and who don't love God... Old Covenant prophets judged cities and nations. This was the prophetic mandate under the previous system. The moral of the Old Testament was that we couldn't be good enough to get into Heaven. We need a Savior. This is why everything we see under the Old Covenant is often so severe. The severity of the law confronts us with the severity of sin, and again, how desperately humankind needed a Savior. Sin is so severe that it deserves judgment; hence the reason why the prophetic voices under the Old Testament often released words of judgment. Time after time, the people of God were reminded through the prophets of God that they were in dire need of a Savior. That was the Old Covenant but now we have a Savior and everything has shifted. Jesus came and fulfilled the words of the Law and the prophets (see Matthew 5:17). Here is where we see the contrast between the two Testaments and how they give us different definitions of the prophetic. The goal of New Testament prophecy is that we would find treasure in the dirt of people's lives. Jesus bore our sins. He carried our shame. He was condemned so we would never have to be. Things have changed now; and as a result, how we approach prophetic ministry is very different under the New Covenant. You can find the entire article at <http://krisvallotton.com/from-what-covenant-are-you-prophesying/>

Starting in July, Mr. Rick Betts will arrive to begin his service to St. Clement's as the new Head of School. Mr. Betts is coming from Atlanta Georgia and has had much experience as a Head of Schools in the Atlanta area. In the coming weeks, you will be hearing all about Mr. Betts and about his qualities that will wonderfully serve our school and community.

My purpose in writing today is to thank you for the vast amount of support that I have received as Head of this amazing school. I have loved every minute of my service here and I feel honored to have had this opportunity. I was fortunate to have been selected in 2002 until 2011 to lead the school and again in 2014-to now.

I have always loved St. Clement's Parish School not only as the Head, but as a parent and as a grandparent. Not only do I thank you for your constant prayers for my leadership, but I request that you continue in your prayer for our school and for Mr. Betts leadership as well. He will grow to love you as much.

In His Love,  
Nick Cobos

# CONGRATULATIONS

**Patrick Gray Welsh** graduated Magna Cum Laude from St. Paul's School in Concord, New Hampshire. He is the son of Joseph and Liliana Welsh of El Paso, Grandson of John and Mary Welsh of El Paso, Concepcion Armendariz of Andrews, Texas, and Elco Aranda of Presidio, Texas. Like his siblings, Patrick attended St. Clement's Parish School Pre-K through 8th grade. Patrick was the first ever recipient of the Marcus Jonathan Hunt Scholar Award, for academic excellence and moral character. While at St. Paul's, Patrick earned Varsity letters in Basketball, Cross-Country, and Crew. His campus activities and accolades include: Classics Society, Chinese Society, Chapel Warden, Radio Show Host and Podcaster for KSPS, photographer and videographer for school newspaper THE PELICAN. In addition, Patrick's community service includes weekly, volunteer teaching of the English language and assimilation techniques in Concord to 'New Americans'. Patrick was a founding member of the Young Gentleman's Club, which participates in geo-politics, campus and gender equality issues, and citizenship at St. Paul's School and community.

After receiving many top college and university offers, and amazing in excess of a million dollars in scholarship monies, Patrick will major in Pre-Medicine at Boston College in fall of 2016. Patrick hopes to be active on campus and continue to represent the community of El Paso with the pride, honor, hard work, and strong moral character. Patrick credits his success to the lessons and education received at St. Clement's School and St. Clement's Parish.

**Kat Cobb** has graduated magna cum laude from Coronado High School. She was active as Cheer Leader, on student council and in track. She served as an acolyte for many years, went on several missions trips to Juarez, Guatemala and Belize and was a youth leader for VBS. Since her focus is a career in medicine, she volunteered at University Medical Center and Sierra Providence Hospital, where she was the treasurer for the board. She enjoyed taking blood pressure of patients on a medical mission to Mexico with CHIA. Throughout high school she has worked as a coach and in the front office at Elite Gymnastics and at Hollister. Katherine is looking forward to attending UTEP in the fall.

**Willam Richard Cobb** has graduated from Texas A & M University in College Station with a degree in Economics and a minor in Geology. During college, he was active in college Bible study and the Atheist Club (as an evangelist). As an active chess player, he was an officer in the campus chess club, won numerous tournaments and volunteered to teach chess to local boys. Several internships encouraged his interest in engineering, oil and gas and construction. He worked at the campus engineering building and grounds department, J.F. Jordan, National Oil of Arco and Jordan Foster, Houston. We were thankful he survived a year in the oil fields both fracking and drilling. Will was the only candidate from Texas A&M hired by Clark Construction and Engineering in Washington D.C., a testament to his excellent work experience, academic success and God's favor. Will is so grateful for the mentorship of several men at St. Clements and the constant prayers of the saints among us. As a result, he has grown into a mature Christian young man!

## Monday Night Ladies' Bible Study

will begin a new study

**Monday, June 13, 2016.**

A 7-week study in which we will learn how the enemy always fails miserably when he meets a woman dressed for the occasion (a woman who is armed and dangerous). It is an action plan for putting on your armor and developing a personalized strategy to secure victory against the enemy. We enjoy desert and coffee at 5:30 p.m. and begin the study promptly at 6:00 p.m.

**All ladies are invited to join us.**

If you have questions, please call Geneva Williams (915)328-1569.

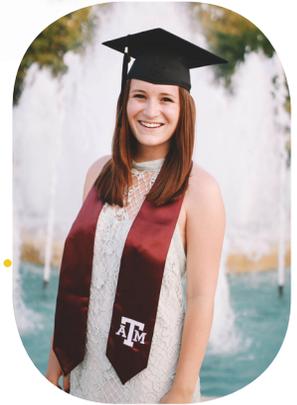

# GRADUATES

**Casey Hughes Gallagher** received her Bachelor of Science in Allied Health from Texas A&M University in May, 2016. She will be attending Texas Women's University College of Nursing in August. Casey is the daughter of Claiborne and Cynthia Gallagher. She is the granddaughter of Patricia Kayser Gevertz and the late Casey Kayser; and Sharon Butterworth and the late Hughes Butterworth; and Keith and Jim Gallagher.

Casey was a 2012 graduate of El Paso High School and a 2008 graduate of St. Clement's Parish School.

**Christian Smith** is graduating from Coronado High School June 12, 2016. He has been a student athlete since he was four years old with a love for all things that had to do with...baseball, basketball, soccer, football, beach volleyball...you name it. Beginning his education at Saint Clements Parish School, he was always in the thick of sports. He played soccer, football and ran track. The education he got at St. Clements has blessed him all through high school and will continue to bless him through college, giving him the desire and ability to secure and maintain an academic scholarship. We are thankful for our Parish School and its fine teachers.

Christian will go to Augustana University in Sioux Falls, South Dakota in the fall. His baseball scholarship allows him to play his game at the next level while getting a good education at a fine university. God has blessed our family richly. This young man, our son, is special...every moment of our life with him has been a gift for which we thank The Lord. We delight in having the privilege of watching him blossom into adulthood.

**Laura Milliorn** attended St. Clement's Parish School from Pre-Kindergarten through 8th grade. She is a Coronado Thunderbird Senior starter on the varsity basketball team and a student council member. She is also on the yearbook staff.
