

RECOVERY

Through Christ

Recovery Through Christ is a recovery program in which Jesus Christ is the higher power and the Bible is the ultimate authority for obtaining peace in a life filled with struggles, hardships, dysfunctions, and addictions. The RTC program promotes spiritual and emotional healing through a combination of God's Word and the 12 steps of recovery. If you would like to know more about us and the program, come join us Sunday mornings and Wednesday nights in January. We will share our stories of struggle and hope and maybe through those you can see if RTC is right for you. We hope that you will search within and find the courage to let God change your life into moments of joy, peace, and freedom like He has done for us. Remember, you are worth it!

*"It is for
freedom that
Christ has
set us free..."*
Gal. 5:1
