**Mission Lunch and Dinner**

Speaking of meals, today's mission lunch will be with a panel of PCUSA Mission Mobilizers at 12:45 in the Berlin Student Lounge in McKelvey. They will offer a presentation and conversation about equipping for missions and opportunities churches have to engage. Grab some food in the TUB and come for the discussion. Debbie Braaksma, the PCUSA's World Mission Coordinator for Africa, will give an introduction to the newly formed Niger Network.

From 5-6 there will be an invitation-only dinner in the Lakeview Room of McKelvey for all missionaries who served in the field for 3+ years. That being said, if anyone would like to attend, please contact the office and they will do their best to get you in.

Christmas is out at The Silk Road! Come see what fun ornaments and nativities we've found over the past year! A few of my favorites are a brightly painted Guatemalan set, a multicolor wood Maasai inspired set from Kenya, and several sets direct from a new cooperative in Bolivia. We'll be open today through Fri 8:30 to 6:30, so get your Christmas shopping done early!

**Use our App!**  
Load the NWMC guide-book for updates, **daily schedule** (which can also be found in the booklet) announcements and more! Use **#NWMC2017** to share your pictures, favorite moments, & follow what's going on.

Apparently the Young Adults have been playing a new game called "Secret Hitler." If you're looking for an interesting conversation, be sure to ask one of them about their plans for world domination, or stop by "Chill on the Hill" to join in the fun.

**Drink Menu:**

The good news you've been waiting for has arrived. No, not *that* Good News (although, Jesus *is* Risen, so...). But what will help you rise today is knowing that Two Rivers Artisan Coffee Works will in fact have coffee drinks for sale on the first floor of McKelvey. While you're there, ask Hector about his story and what caused him to move from sunny California to New Castle, PA.

**Conference Values**

The best meals are made with love, so the third of NWMC's core values is Loving others as we have been loved by God. To dig deeper into what this means, we look to 1 John 4:18-20 "But perfect love drives out fear... We love because he first loved us. If anyone says, 'I love God,' yet hates his brother, he is a liar. For anyone who does not love his brother, whom he has seen, cannot love God, whom he has not seen." What would it look like to put this value into action this week & in the weeks to come?

Please do not park in any of the reserved parking spaces on Westminster's campus. Even though school is not in session, the college is still open and there are any number of events, visitors, etc. We've already had a few people get a ticket, and we would hate for that to be you.

Speaking of Westminster College, the Conference is always trying to think of ways we can improve our relationship with, and be a blessing to, the employees, and we invite you to join us in this task. If you can think of a way to brighten the day of any of the Campus staff (maybe especially if you've had a difficult interaction with them, you have the chance to be a blessing in Jesus' name. So take them leftover goodies, bring them coffee, and let them know that they're appreciated.

Today's **prayer** reminder is a plastic key. Whenever you see a key throughout the week, we want you to think of a lock or shackles, and pray for those who do not have their freedom. According to the International Labor Organization of the UN, there are an estimated 20.9 million victims of modern day slavery worldwide who generate \$150 billion in illegal profits every year.

*Jesus, who came to set the prisoner free, we lift up all those trapped in modern slavery, in all of its forms. We pray that you would bring justice--through us and through others: freedom for the captives and liberation for the oppressed. In your name we pray.*

The Conference Office is located in at **the information desk in the McKelvey Campus Center**. Office staff can be reached by phone at 724-946-9770.

The Chatter Office is located in the **basement of the NWPC (church) basement**. The chatter deadline is 2:00PM for the next day's issue. You can contact the editor (Sean Hall) by emailing [NWMCchatter@gmail.com](mailto:NWMCchatter@gmail.com), or by calling or texting 724-638-7381.

### AIRPORT TRANSPORTATION:

If you need transportation *to* the airport, please contact us as soon as possible to confirm your flight information, shuttle time, and cell phone number. Even if we picked you up, it doesn't necessarily mean you will be on our schedule for a return trip unless you tell us. If you have already made a reservation, please contact the transportation coordinator or the office to confirm. If we do not hear from you at least 48 hours in advance, we cannot guarantee that we will have a volunteer lined up to give you a ride. Thank you!

**¿Did you know?** NWMC once had 30 volleyball teams, 20 basketball teams, and 20 softball teams play every afternoon during the week of the conference. Athletic staff would stay up all night the first night to make brackets (by hand) for a tournament that would climax in championships on Friday. Participation was mandatory for H.S. and college campers, but it was a great way to make friends and burn off some cookies.

### Missionary COOOOKIE Reception

Come out tonight to the TUB in McKelvey at 9:15 to meet some missionaries and ask them what God has done in their lives.

There will be cookies of all shapes, flavors, and sizes!

Everyone is invited and encouraged to come.

**Updates:** the Iraq group is now meeting in Thompson-Clark 315. The blood drive collected 18 pints (units?) of blood. Thank you to everyone who gave! The service project generated well over 200+ bags to give away to homeless families. Good job all!

### Looking for your 15 minutes of fame?

The adult program is looking for pastors to help with NWMC's Got Talent during morning meeting on Thursday. If you are willing to help us out, please see either Katie or Andy Wirt--coordinators of Adult 2. They can also be reached at [724-301-0310](tel:724-301-0310) or [717-916-3076](tel:717-916-3076).

Finish the puzzle so that each row, column, & box has the letters NWMC.

### Public Service Announcement:

It can get warm here at the Conference, which makes us sweat, which can make us stink. So as a friendly gesture to your neighbors, be sure to use that soap your mom sent with you.

Showers: they're not just for Saturdays.

Soap: it's not just for adults.

### WASH UP

"Boys who in school and sports excel, This simple rule know very well Before each meal and after play Wash all the dirt and germs away"

### Editor's Note:

Hear at the Chatter, we like to include something for everyone in the conference newsletter. We know there are people out there who love finding errors in publications, so we left some in throughout the week to give you something to circle. Your welcome, and happy hunting!
