*Two months ago I drove past Anderson Auditorium and it was covered with snow. Even in the winter months you can sense that 'surely the presence of the Lord is in that place.'*

*I am thankful for you, who pray for this NWMC throughout the year. You are the heart of the Conference.*

*I have felt the call to step over and make room for a new generation of leadership. I am inspired, (and energized) by the leadership in the various programs at NWMC, from the Children's program through High School and Young Adult groups (and so on.) Leadership at NWMC is in good hands. I see dedicated people who go far beyond what is asked ... people who dream and who are willing to risk. I see people working in leadership together as a team, praying and discussing the most effective ways to share the vision of Christ's mission and the Good News.*

*I feel that God is embracing a new group of leaders and that it is my time to encourage and (joyfully) support them.*

*God bless you as you continue your unique ministry in your life, where ever you are and where ever you are called.*

*Gratefully,  
Ronee Christy*
