

Meet the Becker Family!

Please introduce your family!

We are the Becker's and together we've been alive for 116 years. Jonathon is the youngest at 15, and he's a freshman at West Noble. Braydon is 18 years old and works at Crossroads in Topeka. Nathon is 40-ish and so is Tonya (who needs to count anymore, really?). Nonetheless, we reside in Ligonier, which is a little southeast of Goshen. Tonya is employed at Brotherhood Mutual Insurance as an Assistant Underwriter and Nathon is employed at Forest River as a Cabinet Installer and Beulah's recently hired Youth Director.

Do you have any hobbies?

Jonathon's hobbies are hunting, learning and playing guitar, shooting guns, jumping on the trampoline, and doing anything active with friends and family. Braydon likes to waterfowl hunt and work on his truck. Tonya enjoys organizing events (e.g. fund-raisers), celebrations (e.g. anniversary parties), and vacations, buying gifts and cards for people, and spending time with family. Nate likes to deer hunt and cheer for the Cubs.

How long have you been coming to Beulah?

Including this Sunday, we'll be Beulahians (or maybe it should be Beulians?) for 15 days. However, we plan to have many, many more days with our new church family. We're grateful to be here and have found everyone to be friendly and very welcoming.

What do you like best about Beulah?

We like the fact that people seem to love Jesus! Since the beginning of the hiring process, we've witnessed a commitment to loving and honoring Jesus in the staff. Also, in our short time here we've seen a love for Jesus in the congregation.

What is your favorite potluck dish?

Nate and the boys like MEAT. Tonya and Jonathon like the desserts.

What is something about your family that no one knows?

The home we live in is about the same age as our combined family ages.

How long have you lived in the area?

We've lived in our old house for 9 years.

What is one thing you'd like to say to Beulah?

We are here to settle into a hired role, but we are not here to settle for where we are. We want to continue to learn and grow and serve the Lord. In this, we anticipate and expect amazing things to happen because we have an amazing God! Amen ;)
