There are more slaves in our world today than at any other time in history. Real slaves — held by violence, unable to walk away, doing things they don't want to do.

Your Offering can make a difference!
Funds will be used to support three projects that are hopeful alternatives to modern slavery.

Over the past five years Freedom Sunday has helped set the captives free in India, Greece, Thailand, Colombia, the Philippines, and the U.S. Now we focus on a much needed restoration home for women who are seeking healing and hope and we concentrate in the Philippines. These three projects will powerfully combat evil and offer hope in Jesus name. Formed by prayer and informed by the Word, we amplify the cries of the oppressed and challenge oppressive systems while serving with compassion. Sing. Pray. Serve. Create New futures. End modern slavery.

30% **EDEN'S GLORY** is a two-year treatment program for survivors of human trafficking pursuing their physical, mental, emotional, spiritual, and relational restoration. An individualized life plan is developed with each woman based on their existing strengths while offering long-term housing, life/job skills classes, counselling, and an opportunity to explore their relationship with God in a healthy and supportive environment.

30% **ICCM PROJECT TRANSFORMERS, MANILA, THE PHILIPPINES**
Children from the Public Market and nearby communities come to the Kamuning Free Methodist Church for weekly learning times and a variety of enrichment activities. These children are among the most vulnerable, in need of protection and empowerment in a city with one of the highest rates of human trafficking in the world. Project Transformers uses a holistic approach to see children transformed and disciplined to become like Christ.

30% **PROTECTING CHILDREN FROM TRAFFICKING AND CYBER PORN**
Protecting Children from Trafficking and Cyber Porn is a collaborative project under the umbrella of the Wesleyan Holiness Consortium Freedom Network in partnership with Intentional Justice Mission. Seeking to prevent, rescue, and restore children trafficked in Manila, Philippines for commercial sexual exploitation through internet pornography, more than 6 organizations, including the Free Methodist Church and the Set Free Movement, are coming together to combat this evil and offer freedom in Jesus name to the captives.

10% **THE SET FREE MOVEMENT** exists to end modern slavery and create new futures through community-based action in partnership with others.

ICCM's Freedom Sunday projects from the past four years are thriving, protecting and empowering well over a thousand children in Asia and Latin America. This year we turn our hearts toward the vulnerable children of Manila, The Philippines, a city known for cyber porn and high rates of human trafficking. The Kamuning Free Methodist Church is blessed to be led by an expert in Holistic Child Development with a passion to reach and protect the little ones. ICCM will join forces with Project Transformers to see these precious children develop to their full God-given potential.
— Linda Adams, Director of International Child Care Ministries

Learn to do good; seek justice, correct oppression; defend the fatherless, plead for the widow. "Come now, let us reason together," says the LORD: "though your sins are like scarlet, they shall be as white as snow; though they are red like crimson, they shall become like wool."
Isaiah 1:17-18 (RSV)
