

thrive UPDATE

1ST QUARTER 2016

In October 2015 we began a 27-month generosity journey called *thrive*. In these *thrive* updates we want to share stories of how *thrive* is changing lives and making a difference all throughout Vineyard Community Church.

There is always tons going on behind the scenes to make everything a reality... and it couldn't happen without your commitment to generosity through the *thrive* initiative. For those of you who are giving here at the Vineyard - THANK YOU! And if you want learn more and become a part of what God is doing through the *thrive* initiative visit <http://bit.ly/thrive-vcc>.

In January we kicked off the year with a series "RESTART" where we focused on **fresh starts** and **brand new beginnings!**

During the series more than 30 people were baptized!

In February we launched a spiritual growth campaign around our series "The Seven Greatest Words of Love" where **more than 500** started their day with our "Morning Fuel" emails or text devotionals. During this time the number of active life groups and participants nearly doubled too!

Through the series we heard story after story of spiritual growth and renewal.

More than 1,000 goodie bags were passed out all over the southside of Indianapolis inviting the community to uncover the Mystery of Easter.

More than 2,200 celebrated Easter at The Vineyard.
