

thrive

UPDATE 2ND QUARTER 2017

In October 2015 we began a 27-month generosity journey called *thrive*. In these *thrive* updates we want to share stories of how *thrive* is changing lives and making a difference all throughout Vineyard Community Church.

There is always tons going on behind the scenes to make everything a reality . . . and it couldn't happen without your commitment to generosity through the *thrive* initiative. For those of you who are giving here at the Vineyard — THANK YOU!

At the beginning of the summer we opened the **Care Center**, a not-for-profit ministry of VCC. The Care Center houses our food pantry ministry, as well as focuses on the practical needs of our community right here in Greenwood, IN.

Around 97 people have been helped during the month of June alone!

On Father's Day, we welcomed show cars and motorcycles into the back lot to compete for prizes and trophies at **DadFest**. This was our third year in a row having the event and we had a great team of volunteers help to put it on. We also had entertainment by local band Password Reset.

We welcomed a ton of guests from the community and celebrated dads in our special VCC way.

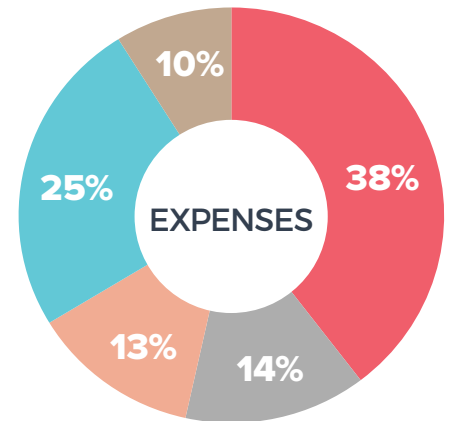

Over **\$50,000** was given to our **PROJECT 4-14** initiative. 100% of the funds received are being used to create a brand new transformational space for our Vineyard Kids.

Every gift that was given has helped us on this journey. We couldn't have done it without you.

FINANCIALS

JANUARY - JUNE 2017
