UPDATE

2ND QUARTER 2016

In October 2015 we began a 27-month generosity journey called *thrive*. In these *thrive* updates we want to share stories of how *thrive* is changing lives and making a difference all throughout Vineyard Community Church.

There is always tons going on behind the scenes to make everything a reality... and it couldn't happen without your commitment to generosity through the *thrive* initiative. For those of you who are giving here at the Vineyard - THANK YOU! And if you want learn more and become a part of what God is doing through the *thrive* initiative visit <http://bit.ly/thrive-vcc>.

QUARTER 2 HIGHLIGHTS

We launched the **VCC Food Bank** where we've opened on Mondays to serve those in need in Greenwood and the surrounding areas. Since opening **we've fed more than 80 people** with nearly half of that number being children.

On Father's Day, we welcomed nearly 100 show cars and motorcycles into the back lot to compete for prizes and trophies at **DadFest**. More than 50 volunteers helped make the event possible, including entertainment by local band The Outsiders and DJ Joseph Franklin of Studio 77. **We welcomed more than 1,000 guests from the community and celebrated dads in our special VCC way.**

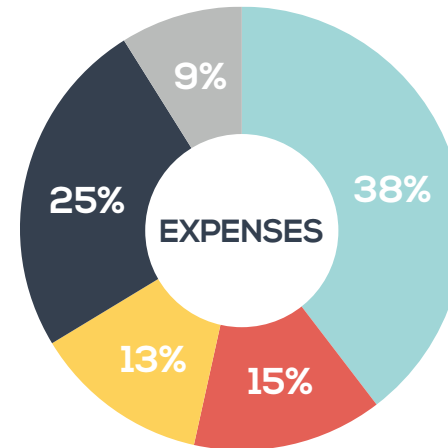

"In June, VYouth loaded up with students and headed out to **Summer of Service**, a 5-day emersion event in Cincinnati, Ohio hosted by Vineyard Cincinnati. We helped prepare and pack more than 17,000 meals for families and children in Swaziland where hunger is devastating their population. We remodeled houses for those unable, we gave free food and water to hundreds of local people, and engaged in awesome water games in the summer heat with young kids! **We grew in relationship, we grew in faith and we left feeling closer to God and one another.** Summer of Service was life changing for everyone involved and everyone said they can't wait for next year!" -- Elisha Hale & Tyler Burton, VYouth Leaders
