UPDATE

3RD QUARTER 2016

One year ago, in October 2015, we began a 27-month generosity journey called *thrive*. In these *thrive* updates we want to share stories of how *thrive* is changing lives and making a difference all throughout Vineyard Community Church.

There is always tons going on behind the scenes to make everything a reality... and it couldn't happen without your commitment to generosity through the *thrive* initiative. For those of you who are giving here at the Vineyard - THANK YOU! And if you want learn more and become a part of what God is doing through the *thrive* initiative visit VCCINDY.ORG/thrive.

QUARTER 3 HIGHLIGHTS

On August 21st we had our annual **Summer Ride** where **75 motorcycles (with nearly 100 riders)** took a scenic ride through southern Indiana and returned to VCC in the afternoon where 20 volunteers cooked out burgers & hot dogs, connected with the riders and heard senior pastor and fellow rider Jim Bricker share about Jesus and God's love for each of them.

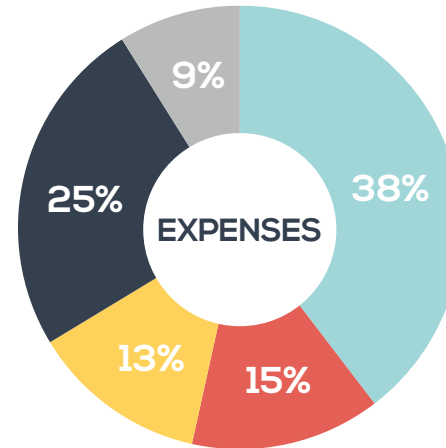

In September, **Kid Zone began using a new teaching curriculum** that combines the critical influences of the church and home **to incite wonder, provoke discovery and fuel passion** in the hearts of the next generation. With new teaching materials and an assortment of resources for parents, like the Parent Cue App, our children will grow to know and love Jesus with greater depth, passion and understanding.

Throughout the entire month of August, we sought to reach our full potential by growing to understand who God made each of us to be and what He's called us to do in our series **SHAPE** where **more than 100 people signed up to use their gifts here at The Vineyard** and are currently in process of getting worked into roles utilizing their unique gifts.
