From your pastor . . . July for Jesus

Honestly, I have mixed feelings about July. On one hand, July means no school, water fun, patriotic celebrations, summer camp, and my most beloved's birthday. So I'm very thankful for the month. However, on the other hand, July is a HOT, difficult time of year with too many bugs, lots of grass to mow, and little relief from the humidity and heat. However, things do slow down a little bit because of the heat, but that and water sports seem to be the only way for me to put a positive spin on the heat.

The good news is that there are many opportunities to serve Jesus Christ and be great Kingdom citizens this July. First, we're putting on a "July 4th" Community Picnic at the Community Center on Saturday, July 5th. This is a wonderful opportunity to invite your neighbors, coworkers, friends, family, and anyone you just met to a low-commitment community social event where they can rub shoulders with

people who love the Lord Jesus Christ and love others. It is through loving relationships that many come to know Jesus and turn to Him as Lord and Savior, and it could all begin because you love someone enough to tell them about a picnic.

Second, we have a week set aside this year (July 6-12) with many service opportunities in and around Bedford and Thaxton. We'd love to mobilize as many people as possible to serve in our local community and encourage each of us to find other needs in the community and plan to meet them through our church

community. These opportunities can be as simple as praying for someone, prayer walking, prayer driving, picking up a yard or park, volunteering at a local school to help them get ready for the next school year, handing out food or water, encouraging others, and building a sense of community and love that visibly displays the Kingdom of Jesus Christ.

Finally, at the end of the month, our church is sending a small mission team to England to serve multiple churches and evangelistic ministries alongside our IMB missionaries. Many of you have already become a part of this ministry through your financial support and by donating to the yard sale, which helps raise funds for this mission team. We praise God for you and your support of the Gospel. Thanks to you all, it seems God has supplied all the funds necessary to mobilize this team for the

Kingdom of Jesus Christ. You can continue to support this ministry through regular prayer before and during the team's trip. You can pray for the following things: safety and health, clear communication, wisdom, a bold witness for Christ, and effective, loving ministry opportunities to show others Jesus.

I thank God for July and for the many opportunities He has put before each of us. I pray that we, as a church, will be filled with boldness to be on mission with Jesus this July.
