

## **August Update on July 2017 Missionary Letters**

### **Jim & Lydia Johnson - Brazil Gospel Fellowship**

Several days have been dedicated to getting the church ready to move into. Since Maicon graduated he has been living with us. We are helping him get his feet on the ground for ministry in Morada Nova during our absence. He will live in our home while we are gone. We also welcomed Wayne Elliot from Woodson Avenue Bible Church in greater Kansas City. He has been a huge help with physical work related to the church move and preparing the Priscilla school. July 1<sup>st</sup> marked the first service in the Morada Nova Bible church's new building. Pastor Natanael will be carrying forward the ministry at this location. We were at the Maanaim campground conducting Priscilla school for 18 students from July 6-8. Furlough begins July 11<sup>th</sup>, if you can keep us in prayer as we travel back to the states. We look forward to seeing many of you!
