Help is here!

Beginning March 20th

Christian Family Adoptions believes in offering wraparound support to families who are parenting children from difficult backgrounds, especially children from the foster care system. Trust Based Relational Intervention (TBRI) is a training model developed by the Karyn Purvis Institute of Child Development that explores principles and strategies to help support, equip and encourage families raising children who have experienced a variety of trauma.

This free, eye-opening training will be offered on the Third Monday of each month, starting **March 20, 2017** from 7 pm - 9 pm at Renton Church of the Nazarene.

Renton Church of the Nazarene
850 Union Ave NE
Renton, WA 98059

You will receive valuable parenting tools and encouragement. TBRI principles and strategies help build community by learning with others who are parenting children with difficult histories.
