## Living Our Calling

At Memorial, VBS is not only about helping kids learn about our faith. It's also about learning how to put that faith into action! Last week during VBS, our kids learned about Memorial's Share-A-Meal and Sandwich Ministry programs. The kids raised \$414.35 for Share-A-Meal, which will pay for nearly 60 meals! They also colored placemats and lunch bags with hopeful happy messages and images to be used by these ministries.

Our older kids participated in various mission work around our town during our Mission Camps at VBS.

Your generous gifts of time and talents help us offer VBS to kids in our community. It's not only about puppets and crafts; It's also about learning more about Jesus, how to love one another, and put God's love into action in our world!
