

— HAPPY NEW YEAR —

2020 Vision

Well folks, here we are, 2020! There are some interesting past predictions of where life would be by 2020 according to different sources. The Royal College of Surgeons of England (1911) said our feet would be one big toe! In 1994, one organization that helped develop the internet said we will have intellectually developed apes as chauffeurs. *Popular Mechanics* in 1957 said that every road in America would be replaced with a network of tubes and one 1937 American inventor said that by 2020, everyone will have stopped drinking coffee and tea (I'd be ok with that...the coffee anyway!).

Things aren't quite like that ... not yet anyway! One thing we can do as we enter 2020 is (not make predictions), but make plans. Our plan for 2020 is "spa Health" to become healthier as a church. Now, we could start a Sunday morning exercise program, but our desire is to build spiritual and relational stamina rather than just physical strength (though I am open to a few church exercises!).

Paul says in 1 Timothy 4:8, "For physical training is of some value, but godliness has value for all things, holding promise for both the present life and the life to come".

Our desire is to strengthen our spiritual muscles this year and exercise healthier relationships so grab your mat and your Bible and let's get ready to get pumped up for God and to do good!

Pastor Wes Daase

EVENTS | JANUARY

THESE ARE SOME OF THE EVENTS DURING THE WEEK

TUESDAY

Prayer | Rm#108 | 10:15am

SPA Youth | Rm#214 | 7pm

Instagram: spayouth

WEDNESDAY

RESUMING THE WEEK OF JANUARY 13

Check the website or the L.I.F.T. Community board for more details.

ALPHA @ SPA CHURCH

Alpha is a small group discussion which creates a safe place to talk about our journeys with life, faith and God. Every week includes food, a video on a topic relating to our faith journey and interactive discussions.

BEGINNING:

TUESDAY, JANUARY 21, 7PM
DOWNSTAIRS IN THE FELLOWSHIP HALL

Check the website to view
the ALPHA video
