

WELCOME TO TRINITY

One Family Under God

A Letter from Pastor Jim

Greetings members and guests,

We are honored to have you with us in church this morning. It is our sincere prayer that God will bless you richly as you worship with us. As we enter into the Fall season there are many changes that are occurring. For some there are new experiences coming, as students head off to college, some for the first time and some returning. Students are advancing in the high school and elementary grades as well. These changes can be difficult for students and parents. We encourage you to find comfort in the promises of God; "Never will I leave you, never will I forsake you." Through all the changes in our lives we have one constant... God and His continual love and presence. I pray for the changes in your life and the lives of those you love. Please come and be encouraged with God's love each Sunday.

In Christ,

Pastor Jim

Sermon Title - History Lessons

The second section of the Old Testament is known as the Historical Books of the Bible. These 12 historical books illustrate the rise and fall of sin, restoration, miracles, rejection, and judgment. Before the revealing of the Messiah, Jesus Christ, and the initiation of Christianity, these books displayed the principles of Christian love for enemies, forgiveness, and God's grace and mercy. Join Pastor Jim for his fourth sermon titled, "History Lessons", as he shares with us a deeper understanding on the history of these books.
