# **The Bible...Our Anchor**

by Arla Olsen

The Bible is our anchor,  
it gives us all that we want or need  
as we sail through the seas of life,  
with words of Scripture, we can read...

It gives us strength, and wisdom,  
and lessons for everyday life

God shares His Compassion and His Grace  
and the joy of hope when there is strife...

When we have shattered hopes and dreams,  
and feel our ship is in distress

beneath surging waves and raging streams,  
we have our anchor, and it will hold us firm

when turbulent winds are blowing  
so we know how to live each day and learn,

and show love to one another,

help those without hope or strength

to let them sail on with courage,

and know God's Mercy and His Grace...

The Bible is our anchor – the amazing Word of God,

whatever we encounter, in our lives,

it is our mighty anchor to the world...
