

Dear East Woods Family and Friends,

I hope this newsletter finds you and your loved ones healthy, warm, and enjoying God's blessings and presence.

What a super year we're having. By that, I first mean super CRAZY! Snow, ice, freezing rain, flooding, school closures, church cancellations, sledding in the streets, cabin fever! Isn't this supposed to be the mild-mannered Pacific Northwest? As February starts, I'm hoping we've seen the end of that craziness. If not, it may be all of us who start going crazy.

Apart from that, our year is about to get a little more super with East Woods' first Super Bowl Party. On Sunday, February 5, we'll have the big game on the big screens in the Sanctuary, and we'll have a super time hanging out, sampling great soups, playing games, and welcoming some very special guests. Want to know more? Look inside for more information, or just come out and join us for the super party! It's a great opportunity to invite friends or neighbors to join us and get to know us better. Too bad the Seahawks weren't quite super enough to make it to the show this year.

Lastly, February offers some super opportunities for discipleship and relationship growth within our congregational community. One of those opportunities is small groups. Cynthia Younger, our Adult Ministries Elder, has done a super job creating small group clusters based on where our members live. Starting at our Gathering Sunday Brunch on February 5, I invite you to learn more about the great group of people in your cluster and sign up to start a new small group based on the "Believe" curriculum we're using in worship through the summer. We have resources available to you to make small group gatherings easy, enriching, and enjoyable, and we hope this will be the beginning of a super movement at East Woods. Just how super it becomes is up to you!

Also, the Annual Women's Retreat is happening in Lincoln City the weekend of February 24-26. There's a super roster of women signed up already, and there's room for a few more. Gwen Wagner will lead the program on "God's Providence, Your Story" based on St. Paul's letter to the Ephesians. It will be a reflective opportunity to see how God has been shaping your life's journey from the beginning and to learn about God's role in the journey of other women, too.

Like I said, it's a super year, and there's a lot of super stuff going on at East Woods. I hope you'll jump in and join in with the fun.

"So I commend the enjoyment of life, because there is nothing better for a person under the sun than to eat and drink and be glad. Then joy will accompany them in their toil all the days of the life God has given them under the sun."

Ecclesiastes 8:15, NIV

Blessings to you and yours ~ *Bill*

LIFE LINE PREVENTATIVE HEALTH SCREENINGS AT EAST WOODS

East Woods is pleased to offer a preventive health event. Life Line Screening, a leading provider of community-based preventive health screenings, will host their affordable, non-invasive and painless health screenings all day on **Thursday, March 9.**

Five screenings will be offered that scan for potential health problems related to: blocked arteries, which is a leading cause of stroke; abdominal aortic aneurysms, which can lead to a ruptured aorta; hardening of the arteries in the legs, which is a strong predictor of heart disease; atrial fibrillation or irregular heart beat, which is closely tied to stroke risk; and a bone density screening, for men and women, used to assess the risk of osteoporosis.

Register for a Wellness Package which includes 4 vascular tests and osteoporosis screening from \$149 (\$139 with our member discount). All five screenings take 60-90 minutes to complete. **In order to register for this event and to receive a \$10 discount off any package priced above \$129, please call [1-888-653-6441](tel:1-888-653-6441) or visit www.lifelinescreening.com/community-partners.** We hope to see you there!

ON THE LIGHTER SIDE—KIDS IN CHURCH

3-year-old Reese: “Our Father, Who does art in heaven, Harold is His name. Amen.”

A little boy was overheard praying: “Lord, if you can’t make me a better boy, don’t worry about it. I’m having a real good time like I am.”

A Sunday School teacher asked her children as they were on their way to church service, “And why is it necessary to be quiet in church?” One bright little girl replied, “Because people are sleeping.”

After the christening of his baby brother in church, Jason sobbed all the way home in the back seat of the car. His father asked him three times what was wrong. Finally, the boy replied “That preacher said he wanted us brought up in a Christian home, and I wanted to stay with you guys.”

EAST WOODS WIFI PASSWORD

We've added password protection to the "eastwoodspres" public WiFi network. The current password is **ILoveEWPC611**. Of course, we all love EWPC, and the 611 represents our chartering anniversary - June 11, 2000. We hope that helps you remember the password *and* the anniversary! A draft of our WiFi policy is available in the church office for all who'd like to read it. Happy surfing!

BELIEVE

During 2017 East Woods Presbyterian will journey as a whole church, from the little ones to the most seasoned members, to believe the core truths of the Bible and to become more like Jesus every day.

We have embarked on a holistic study called “BELIEVE.” Grounded in Scripture, BELIEVE is a unique discipleship experience that helps Christians of all ages become more like Jesus in their beliefs, actions, and character. This topical Bible study illuminates the core beliefs of the Christian faith to help you think, act, and be more like Christ.
