## Staff Changes

For those of you that follow our updates or have other connections you are aware of several staff transitions at Bethany Camp. The latest addition to that list is Alyssa Cole. Alyssa joined us in the middle of last summer to serve as our food service director. She has been a valuable asset even in the short time she has been here. She will be moving to Colorado to join in helping a close friend with a mission's agency there. She has a great desire to be involved in missions overseas as her long term goal.

Each of these staff changes has its own circumstances for sure, but one thing is dear. We desperately desire for God to be honored in how we conduct business and care for people. Much has been done to reach that goal.

As we look to the future, much prayer and deliberating has taken place in finding the right fit for each staffing situation. Many have asked what will happen here at camp as we seek to move forward.

Here is a brief update recognizing that is an ongoing effort.

For springtime, Shaun Jaquith, whom has been serving here all fall and winter as a volunteer, will take over the food service responsibilities.

We also have the privilege of announcing that Thayne and Joy Bodenmiller will be moving to camp as full-time volunteers. They have agreed to serve through this coming fall and potentially longer term.

Thayne served as the pastor of First Baptist Church of Westfield, NY for nearly 30 years. Their servant hearts are their greatest assets but we certainly look forward to the many ways that they will be able to assist us through this time of transition.

We also have narrowed our program director search down and Lord willing we will have an announcement in the next few weeks. Please pray for wisdom for us and for the candidates, as we seek to honor the Lord with this important decision. Once this position is filled we will begin the process of evaluating the future of other staffing needs.

---

### Calling All Ladies...

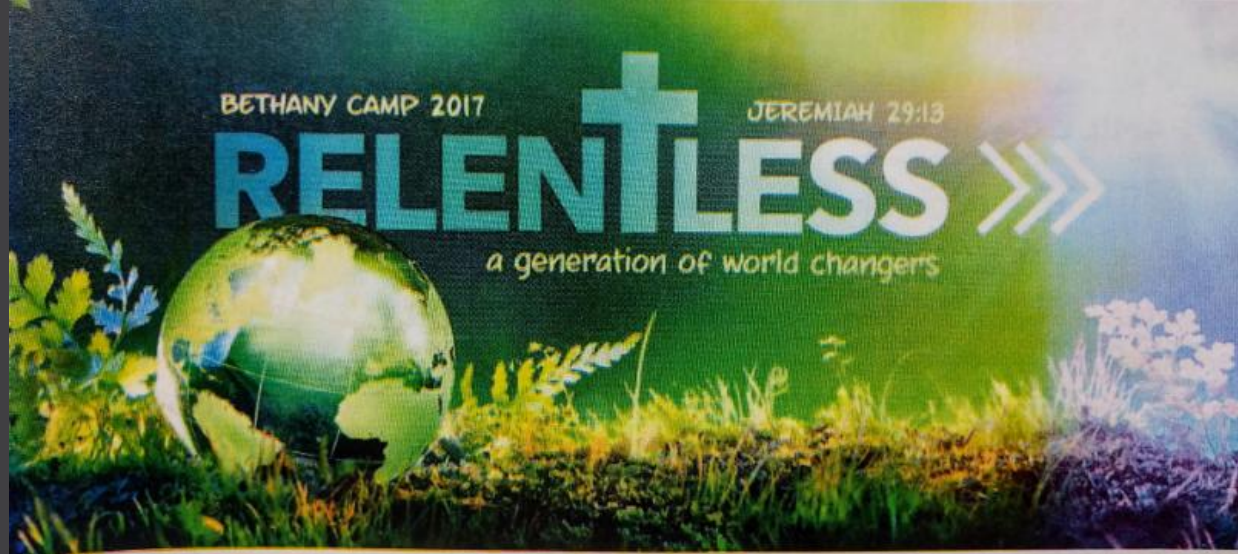

Do you still have lots of unfinished projects you need to complete? Quirky Hobby Weekends are just around the corner. We still have space left and would love to have you join us. Call or register online to get your spot reserved.
