

## Survey for Fall Enrollment

I have created a short survey through Survey Monkey in order to gauge interest in programs for next fall. I value the opinions of our current families and would like your suggestions for ways we can improve the school and the programs that we offer. Please take five minutes out of your day to complete the survey over

the next week as registration begins soon. Current Families begin registration January 29<sup>th</sup>! Packets will go home the week before. Classes will fill on a first come first serve basis!

## It's Snowing This Month!

This month all our classrooms are talking about cold weather things, from animals that hibernate, to places to visit that are cold, along with that white stuff we never see, snow! This month we will be doing lots of activities related to cold weather. We will be making fake snow, playing with ice, and having fun all month long. We will be holding a "Texas" snow day complete with snow cones, cotton ball snow fights, and other fun snow recipes. Once our date is confirmed I will send more information out!

## Website Help

As a reminder we will be closed Thursday and Friday February 1<sup>st</sup> and 2<sup>nd</sup> for staff development days. This is a time for teachers to get new ideas and activities to share with your children. We strive to provide an environment full of educational activities and opportunities for growth through play. These development days allow us the chance to stay on top of changes in education as well as make sure we are providing the framework all children need to be successful when they leave our program.

## Our Weather Has Changed!

As our weather changes to more of a consistent chill in the air, please make sure you change out the extra clothes in your child's bag to be appropriate for the weather.

Please make sure you have your child's cups, lunches, backpacks and jackets labeled with your child's first name and last initial. This will help us with getting lost items back to their owner.

We have a small lost in found box located just outside the office. If you are missing anything please check the lost and found box first.

## Chapel

This month we will be talking about Jesus and his disciples, the wise and foolish man, Jesus healing the little girl, and Jesus calming the sea. We will also be talking about the Armor of God and how Jesus is our Shepherd.

## Tax Statements

Tax Statements are being sent home in your child's weekly folder the week of January 15<sup>th</sup>. If you have any questions please let us know. Our Tax ID number can be found on the top right corner of this statement.

## Tuition

As a reminder the Spring Supply fee will be due with your January Tuition. Rates are listed below.
