Checking Children In & Out

The Park Church provides easy to use express check in counters that allow parents and guardians to remand their child into our care and produces accurate class rosters. In the event of an emergency, these rosters help us to know the exact names and numbers in each class and also assures that children leave with the appropriate person. Parents and Guardians are asked to check their child in and out whenever they are placed in our care. Should someone different than the individual who checked a child in be checking them out, we need to be notified verbally or in writing prior to check out. We appreciate your help in keeping all of our children safe and secure.

Media Consent

I give permission for my child to have their photo taken while participating in programs and activities of The Park Church. I understand that photos and video of my child may be used by the Children’s and Families Ministries and The Park Church for promotional purposes and program presentations.

If you do **not** want your child’s picture used or you have a safety concern.
