Checking Children In & Out

The Park Church provides easy to use express check in counters that allow parents and guardians to remand their child into our care and produces accurate class rosters. In the event of an emergency, these rosters help us to know the exact names and numbers in each class and also assures that children leave with the appropriate person. Parents and Guardians are asked to check their child in and out whenever they are placed in our care. Should someone different than the individual who checked a child in be checking them out, we need to be notified verbally or in writing prior to check out. We appreciate your help in keeping all of our children safe and secure.

Registration Payment Information

Program fees can be paid by cash, cheque or major credit card at The Park Church office, or at the Welcome Center on Sundays. Cheques can be made payable to: The Park Church. Receipts will be issued upon request. Financial assistance is available on request on a case by case basis for any child desiring to participate in a ministry program with a fee attached.
