

# PRAY FOR THE WESLEY

A 25-Day Prayer Guide for the Tarleton Wesley

Tarleton students begin classes August 29. Join us in 25 days of prayer beginning August 4 as we look towards another year of ministry on the Tarleton State University campus!

- 1 - Pray that God would move in our ministry and on campus in a new way.
  - 2 - Pray for guidance and clarity as we plan for our year of ministry.
  - 3 - Pray that The Wesley would be energized and committed to reaching the campus for the sake of Christ.
  - 4 - Pray that we might faithfully continue the work of discipleship and raising up leaders for the sake of the Kingdom.
  - 5 - Pray that more supporters might join us in this Kingdom work.
- 6 - Pray for the 100+ students we have met at orientations this summer. Pray that those contacts might lead to relationships!
  - 7 - Pray for our first few weeks on campus - that even more students would connect with Wesley or other ministries on campus.
  - 8 - Pray that we might be hospitable and invitational in all we do.
  - 9 - Pray for our student leadership team - that they might receive a vision of what relationships and ministry God has for them.
  - 10 - Pray for our returning students - that they might reconnect well and that the Spirit would lead them into this next year.
  - 11 - Pray for one college student that you know personally.
  - 12 - Pray for our graduated students: that God would continue to grow them in discipleship and investment in the local church.
  - 13 - Pray for our first worship - Tuesday, August 30th. Pray for the students that might be coming for the first time.
  - 14 - Pray for FRESH-LEY (our ministry to freshmen). Pray that freshmen would find community and Christ as they enter college.
  - 15 - Pray for our Fall Retreat. Pray that God would open doors for students to attend.
  - 16 - Pray for Bible studies and small groups that will be starting throughout the semester.
- 17 - Pray that the Body of Christ would be united on campus and that each Christian ministry would join together in the work.
  - 18 - Pray for university faculty and staff. Pray for wisdom in their teaching and influence.
  - 19 - Pray for university administration and leadership. Pray that God would use them in their planning for the future of campus.
