

# PAVE THE WAY

*"I will go before you and make the rough places smooth." Isaiah 45:2*

## ST. AGNES PARKING LOT PROJECT

Over the years our parking lot has served us well but recently has experienced serious deterioration resulting in numerous patching repairs. To maintain a safe parking lot for our parishioners, and playground area for the school children, our Buildings & Grounds committee recommends that the parking lot be replaced.

The estimated project cost will be \$180,000 and the timeline is tight. Our desire is to have the work done before the end of August. You may have used the parking lot for Mass on Sunday or weekdays, or have picked up your children from school. Perhaps you or your children used the parking lot as a playground, or were dropped off by a school bus. We are calling on all parishioners, school families, and friends to help us "Pave the Way" toward this campus improvement that will be a benefit for generations to come.

Please prayerfully consider a generous gift to this campaign. You may fill out the donation card below and return it in the collection basket at church, by mail, or in person to the Parish Office.

If you would like any additional information regarding this project or to discuss alternate options of giving, including securities, please contact "Pave the Way" campaign chair Robert Keebler at 920-593-1701.

Fr. Patrick Beno  
Pastor

Robert Keebler  
"Pave the Way" Chairperson

**Please consider donating to make the parking lot safe for parishioners, guests, students and staff.**
