

This fall First United Methodist will be initiating a 6 week Men's Bible Study using 'Leadership Lessons from Bill Snyder' updated 2015 resource. We will have a diversity of men teaching on the topics shared in the book and tying in Biblical verses and themes throughout. *You can see our list of teachers and their football positions on the reverse side.*

We are anticipating 50 to 60 men from the church and community. We have reserved the 'Antler Room' at the Blue Moose bar and grill. (upper level) Men can gather any time after 6 with the study and discussion happening from 6:30 - 7:30. We anticipate some men might come early to eat, have a drink, build relationships and then learn together.

What you can expect:

You will not be asked the question, "How do you really feel about this?" after our weekly study. You will not have to watch and discuss figure skating or flea market flip. You will not be allowed to order a drink which comes with a pink or turquoise umbrella. **This is a Men's Bible Study.**

You will learn from one of the greatest football coaches of all time how to lead with integrity, courage and faith. **You will be challenged** to put into practice what you learn in your family, business, and church relationships. You will experience community with a group of men who believe they can change the world.

Our season begins on Sunday, September 10 and runs until October 15. Looking forward to seeing you at our first game.
