

August 2016

Dear Friend,

What a privilege to carry the message of true hope and liberty in a time of national crisis. History proves that when God's people recapture a biblical vision and a godly hope for transforming the world, they bring faith, blessing and prosperity back to their nation.

I just returned from Scotland after leading a tour with Landmark Adventures. So many on the trip, young and old, told me that they were amazed at the contribution of the Scots to the birth of America's liberty. Couples and teenagers came to me and said, "Now we have hope for the future."

This summer and fall is crucial for the World History Institute as we implement a strategy to bring millions of people worldwide back to the biblical strategy of freedom (the strategy presented in this month's *Journal*.)

*Please join me in remembering two vital requests...*

**First** — Pray for the *Revive US* rally and theater event featuring Kirk Cameron. *Revive US* is a one-night event happening simultaneously in 2,000 theaters nationwide on October 18, 2016. This outreach will touch hundreds of thousands of lives. It dovetails with a long-term project to produce motion pictures on the story of God's hand in human liberty. I am working closely with Kirk on that very important endeavor.

**Second** — Pray for the success and impact of *Pray31*, the prayer initiative of which I am honored to serve as National Chairman. The last two *Pray31* campaigns have enlisted half a million people in 31 days of prayer for America. This year, we are praying for one million to get involved this year, in churches from coast to coast. The *Pray31 U.S. Prayer Atlas* for 2016 is now available. Please check the box on your response card and we will send a copy to you right away.

The election will soon be over and it is vital that we pray and vote. The teaching of God's awakened people will give them the needed truth and hope to love our nation back to God.

Finally, if God has enabled you, please give a gift to help us carry on this crucial ministry. The Institute has no benefactors. We keep going strong only through the generous contributions of individuals like you..

May God richly bless you and your family,

Marshall Foster
