

WORLD HISTORY INSTITUTE

February 2016

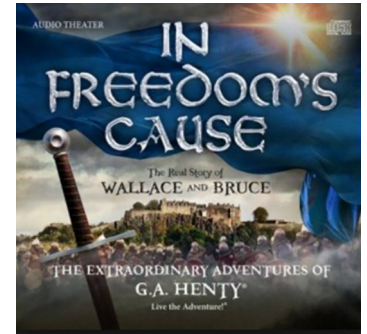

This new year is shaping up to be a reality check for all Americans. We at the World History Institute are committed to proclaiming the all-but-forgotten, God-ordained solutions to our looming crises. America has been here before. This is not the first time we have strayed from our Christian roots. A great falling away happened in the 1660s, 1720s, 1780s, in the late 1800s and again during the “Roaring Twenties.” Then the student revolution of the 1960s collapsed numerous institutions and we are still reeling from its impact.

But our loving heavenly Father has been patient with us and we still live in the world’s greatest constitutional republic. As this month’s *Journal* details, the success of America’s founding was in the preparation of godly young patriots who knew the Bible and its specific strategy for freedom and prosperity. Few of our youth today have had any exposure to the inspirational, courage-evoking truths that were ingrained in the “Sons of Liberty.”

We have been committed for almost four decades to renewing our youth with God’s story of liberty through Christ. We are seeing thousands of young people energized with a new vision, willing to stand for His liberty and truth against the forces of tyranny.

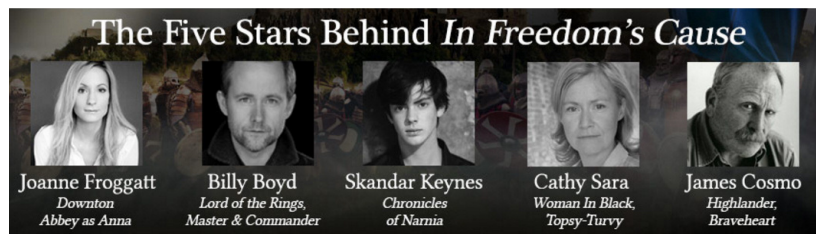

We are working with a production team here in Southern California to dramatize our Christian History on film—for theaters and other venues. Then, in the fall, I will be leading the **Grand Family Tour of America** (see enclosed flyer). September 16-24, 2016 we will be on location at the monuments and battlefields of our past, learning the inspiring history of our Republic from the Pilgrims to George Washington.

Please pray in the coming months as I will be teaching youth and families in Washington DC, Oklahoma, South Carolina, and Oregon.

This month we are excited to offer Bill Heid’s award-winning production, *In Freedom’s Cause*. You will be captivated by this audio drama of the Christian story of William Wallace, the liberator of Scotland. To get a preview of this powerful production visit www.infreedomscuse.com.

Thank you for standing with us. It is a joy to partner with you in the “Holy Cause of Liberty.” By God’s grace and power, we will see the restoration of America’s freedom.
