“When the righteous are in authority, the people rejoice: but when the wicked rule, the people mourn.”
— Proverbs 29:2

June 2016

Dear Friend,

Although many do not yet see it, humanism is crumbling before our eyes. Christians are being given an incredible opportunity to humbly direct a wounded nation back to the only true God for the healing of every institution in America.

This week Kirk Cameron and I met with the national leaders of the American Renewal Project, a movement that is training over 100,000 pastors in America to engage the culture with practical, Biblical solutions. We also met with 400 of those pastors from across California who were being trained at their two-day conference. So far this year alone, over 200 pastors in America have committed themselves to run for local or state offices. Their goal is to inspire 1,000 pastors to run for office in America this year. We were all gripped with the depth of commitment and sense of conviction among these leaders. I believe there is real hope that a spiritual and cultural revival is stirring in our nation!

I am excited to meet and travel with many of you on the thrilling adventures that await us on our tours both to Scotland and the historic East Coast this year. There is still limited space available and Landmark Events is willing to give friends of the WHI 20% off on the Scotland Tour. For full details, please give us a call or visit www.worldhistoryinstitute.com.

Join us in celebrating our 40th Anniversary this summer! We have had the privilege of teaching the Gospel and God’s providential history—His Story—and the loving strategy of freedom for four decades! God is so good. His grace has sustained us through many trials and crises.

Thank you faithful friends and supporters through the years. We are grateful and inspired by the confidence that you have placed in us. We look forward to many more years of proclaiming Christ and His gospel of liberty.

Thank you again!
