

Tom Wolff is in his fifteenth year pastoring at Bethlehem Church and now serves as the Pastor of Counseling and Care Ministries.

He and his wife, Cindy, are long time residents of Thornton and raised their children at Bethlehem Church.

Tom's history includes driving tractor trailers for twenty-one years, at which point God led him back to school where he received a Bachelor's Degree in Bible from Philadelphia Biblical University (now Cairn). Shortly after returning to school he was invited to apply for the Youth Pastor position at BUMC which he held for thirteen years.

He returned to school at Biblical Theological Seminary and received a Master's Degree in Counseling in 2008. Tom is available to the church family for counseling and maintains a private practice for those outside the church.

His greatest joy is his 42 marriage to Cindy, spending time with his eight grandchildren, serving the church family at Bethlehem and cycling whenever the weather will allow it!
