**Your family: spouse, kids, pets – whoever and whatever you consider family?**

Single and alone.

**Where is home for you? Where are your roots?**

"Home is where the heart is." So, that's Chipotle Mexican Grill.

**Does a specific value or piece of our mission stand out to you? Why?**

Love God, Love People. Simple but not simplistic.

**What are you likely doing when you aren't "churching"?**

Reading nerdy sci-fi, playing basketball (usually I'm angry here), hanging out with good buds, and looking for love on Craigslist.

**When you were a child, what did you want to be when you grew up?**

Always thought I'd make lots of cash... and then I decided to become a pastor.

**What is your favorite story in the Bible?**

When Jesus didn't throw the stone – John 8.

**If you were stranded in the middle of Kansas (Survivor Man style), what three things would you want to have with you?**

A comfy chair, a good book, and my guitar.
