PROPOSED COLUMBARIUM SURVEY

Because of interest by some members of our congregation, leadership is considering a proposal for the building of a Columbarium on church grounds as a service to our members and their families. It will be a permanent structure that would be cared for and maintained by the church for generations to come. There would be no cost to the general congregation and would be financed by the purchase of individual niches (vaults).
Feedback is needed in order for leadership to make the best decision regarding this potential project. Some comments might be:

♦ Yes, I support the building of a Columbarium.

♦ Yes, I would be interested in purchasing a niche.

♦ No, I am opposed to building a Columbarium at BUMC.

♦ I neither oppose or support a Columbarium. It is up to the leadership to decide.

♦ I would like more information before I make a decision on this proposal.

Living God, you miraculously used the burning bush to attract the attention of Moses. Just as the bush was on fire but not destroyed, so you sustain those you call to fulfill your purposes. Thank you for responding to the needs of your people and nurturing new leaders. By your Holy Spirit, help us to trust you completely as we seek to spend our lives following Jesus, your Son. Let us be bold witnesses of your amazing power and love. We offer you these monetary gifts for the work of your church here and around the world, through Jesus Christ. Amen
