Proceeds to benefit St. Paul Lutheran School's
Student Scholarship Fund

St. Paul Lutheran School

St. Paul Lutheran Church has been a strong supporter of Christian education for all of its history. St. Paul has maintained a Christian Day School for 85 years of its over 100 years of existence.

Today, St. Paul is a school with students in pre-school through eighth grade. The focus is on a caring, family-centered Christian environment, which offers students an opportunity to grow spiritually and academically. The focus is on teaching the whole child, with a special commitment to family, making a meaningful difference in the lives of the children and families in the school.

St. Paul offers a strong academic program in a fully accredited school, including algebra, music, band, choir, art, physical education and science, all taught by state certified teachers. Technology and computer instruction is integrated throughout the curriculum. St. Paul's athletic teams (soccer, basketball, volleyball, track) compete in the Tri-County Lutheran League.

St. Paul offers a Christian child care program before and after school. Child care is open from 6:00 AM to start of school, and from school dismissal until 6:00 PM.

The Student Scholarship Fund

Through your participation in the **Spirit Scramble**, you will be supporting the St. Paul Student Scholarship Fund (SSF).

The SSF helps assist those who need financial aid to send their children to St. Paul Lutheran School. Thank you for helping St. Paul to "make disciples of all nations" by making it possible for more families to send their children to St. Paul

In addition to private donations, St. Paul annually schedules two fund-raisers for the SSF- 'The Spirit Scramble' golf outing in September, and the 'Spirit Auction' in the early spring.

St. Paul is thankful for your support as it builds the SSF to benefit families.

Charitable Contributions

St. Paul considers \$40.00 of your \$80.00 entrance fee as a charitable gift to the school. This gift is eligible for a federal tax deduction.

If a company that matches gifts to Christian churches and schools employs you, you may be able to double your dollar amount to St. Paul.

St. Paul Lutheran Church and School thanks for your generous support.
