

# *JustFaith* Commitment Statement

**You are invited to an intensive program for people interested in Catholic Social Teaching and how to build a just society while living a life of compassionate engagement with people on the margins of society.**

This commitment statement is important for all participants and for the success of the program. *JustFaith* facilitators have found that by completing this form participants are affirming their commitment to join, attend and be active in the process. It is understood that “life happens” and in a small number of cases participants who have committed to the program and purchased books or materials may have to drop out before completing the curriculum.

I, \_\_\_\_\_ commit to participating in the *JustFaith* process.

I understand that the program can be very rewarding by growing my compassion for others, adding meaning to my faith life, deepening my relationship to God.

I understand that the *JustFaith* program involves a commitment to my fellow group members to make myself available for setting a group schedule, attending all sessions, reading assigned materials, doing assigned exercises, attending two (daytime) retreats, and participating in four immersion experiences.

I commit to being an active participant in all these activities to the best of my ability. I also commit to cultivating a community within the group and to support other participants as I journey with my *JustFaith* colleagues.
