

*Speak **Boldly***
Wednesday Nights in Easter!

St. Mark's is offering you the opportunity to get connected and be transformed this Easter Season (*April 26-May 31*).

Join us on Wednesday evenings beginning at 6:00 P.M. for dinner followed by two extraordinary program offerings:

Introduction to the Hebrew Bible or **Engaging our Community.**

Introduction to the Hebrew Bible

Craig Dressler will lead an in depth look at the Old Testament, exploring the rich history, literature, and sacred text. Participants will see the differences between the Bible of Jewish tradition (the Hebrew Bible) and the Old Testament of Christianity. We will also discuss law and ritual in the Bible as well as the biblical understanding of prophecy. Materials will be provided.

Engaging our Community

St. Mark's will welcome community leaders to discuss problems, success stories, politics and where we fit into it all. We have assembled some of the most influential and relevant leaders in the Erie community today. Each brings a unique perspective and compelling story about Erie. This is a tremendous opportunity for us to engage the community right here at St. Mark's. You don't want to miss it.

Speakers include:
