

# Community Reformed Church

Helping all people find and follow Jesus.

Welcome to Community Reformed Church.

On behalf of the congregation, consistory and staff, it is my privilege to welcome you to CRC. We are excited to have you here and look forward to how God will work in you and through you as we seek to serve Him together.

We want to be helpful to you in whatever way we can. We especially hope that your time here helps you to grow closer to God. We know that we need each other as we seek to love God and love the people around us. Please don't hesitate to ask if there are other ways we can encourage you in this pursuit.

*And let us consider how to provoke one another to love and good deeds, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day approaching.*

Hebrews 10:24-25

God has called us together and we look forward to all that He has in store as we seek to serve Him here and in our community.

In Christ,  
Chip Sauer, Pastor

## Keys to Getting Connected

Just a few suggestions to help you get connected at Community Reformed Church:

1. Come and worship – stick around before/after service
2. Sign up to be a greeter. This is a great way to meet people at church.
3. Join a connections group. This is probably the best way to develop relationships.
4. Participate in the activities of the church (classes, prayer groups, Bible studies, etc. – all of these are places to meet people from the church)
5. Introduce yourself to staff, consistory (elders & deacons), anyone in the church.
6. Pray for God's leading in where and how to get involved and get connected. God has you here for a reason – for you to be fed and for you to feed.
