WE NEED 10,000 EGGS

A WORD FROM PASTOR EVON....

I am believing for a great Easter!
I learned some things from our Serve Brownsville Christmas Event with Candy Cane Lane.

This year for Easter we're going to have two services.
9 am will be a family service followed by our Easter Egg Hunt.
At 10:30 am will be our Easter Worship Service.
The living cross will be up and is a wonderful symbol of new life after death! Please invite someone to Easter services!

I am finishing the series on the armor of God.
April 2nd will be a message on the shoes of peace, April 9th, the sword of the Spirit. I'm asking all Champions of Honor to bring their swords that Sunday!
Then on Good Friday the final message is the Shield of Faith!

We also need 10,000 Easter Eggs to make this a successful Easter Outreach. Please help. And also if you'd like to donate a lily in the memory of a loved one, you can sign up on the insert in this newsletter or get information at the Guest Desk in the foyer.

Lastly, I have committed Wednesday nights to meeting with those new to Brownsville. Meet me in my office at 6:30 pm on Wednesdays to answer your questions about the church and our faith and how to get more involved in our exciting family church!

Deborah's Corner

Calling All Gardeners!

We thank Ken Griffin Landscaping for donating their services to cut the Brownsville lawns!
Also Nathan and Cheryl Callaway of Callaway Lawn Service have donated their time and equipment to trim all the church trees.
But our yard care extends far and wide and we can always use more help.
Anyone out there who loves to work in the garden? I need some help during the spring and summer months to care for some planters in the Gazebo.
I also need willing hands to pull a few stray weeds from time to time.
If you would like to "adopt" a small section of the church yard, I'd be overjoyed!

Save The date Ladies Day Saturday, September 24

Fantastic teaching, learn a new skill, write a new song, enjoy a delightful lunch, make new friends, and leave enriched!

There will be a purse and accessories exchange. Save your best items from spring cleaning and give them to Emily Suarez.

I will need hostesses to assist guest speakers. I will need quality door prizes. Share your ideas with me and this Ladies Day will be the best one we've ever had!
