6 | A Life That Is Changed

# A NOTE from Pastor Matt

## Moving

Rev. Dr. Matt Paul is the head pastor at St. Andrew Presbyterian

Dear Friends in Christ,

Genesis 12:4-5 records the account of Abram's response to God's call for him to pick up and go to the land of Canaan:

*So Abram went, as the Lord had told him; and Lot went with him. Abram was seventy-five years old when he departed from Haran. Abram took his wife Sarai and his brother's son Lot, and all the possessions that they had gathered, and the persons whom they had acquired in Haran; and they set forth to go to the land of Canaan.*

I've always loved the story of Abram's call, but for some reason when I read it again recently, all I could think of was that there is no way it could have been that easy for him to move all of this things! My guess is that authors of Genesis probably didn't want to bore us with the details of Abram and Sarai sorting through their household goods and packing their possessions, not to mention saying their good-byes to family and friends.

Most of us have experienced a move or two and know how emotionally, physically, and spiritually challenging moving can be. It's true whether you're moving to a new land like Abram and Sarai, across town, or just across the street. It's also true whether you're going on your own, with your family, or with an entire congregation.

Fortunately, our Transition Team has been hard at work coordinating the effort to sort and to pack as we make preparations for our journey to the New Horizons United Methodist Church building on 1st Avenue in Coralville toward the end of May. During the months of April and May, please look to the *Messenger* and *Mini-Messenger* for ways you can help St. Andrew make a smooth transition to our temporary quarters. Together, we can share the burden and make light work of the many tasks that lie ahead.

Godspeed,

A handwritten signature in cursive that reads "Matt".

### **Join Pastor Matt for Journey Count Down, April 3**

Life with God is always a journey, it was true for Abraham and Sarah, Moses and the Hebrews, Mary and Joseph, Jesus and the twelve, Paul & Silas, and now for the people of St. Andrew. What they found was the journey was just as exciting as the destination! Join Pastor Matt for **Journey Count Down on Sunday, April 3 during the Christian Education hour** as we reflect on some of the journeys of God's people and look ahead to our own journey of transition.

## Hey, Check It Out!

Saint Andrew Presbyterian Church is Introducing **KidCheck!**

Our Children's Ministry Team and Family Ministry Team recently decided to introduce a new way to ensure the safety of children at Saint Andrew. We believe that there is nothing more important than the safety and security of your children.

That's why we've chosen **KidCheck** to bring you the best check-in experience and to allow us to partner with you to keep your children safe.

We have always planned to have an easy, computer-based, check-in system in place to create a safe, welcoming environment (especially for our guests!) in the new Camp Cardinal church. With the transition to an interim church home, we thought it would be good to introduce **KidCheck** now so that we will be operating smoothly when we reach our new church home on Gathering Place Lane.

We will go live with **KidCheck** on April 17. **But we need your help!!** **KidCheck** is a very fast and easy check-in system to use, but it absolutely works best if you have created your account before you come to church. It is very easy to do and only takes a few minutes. Over the next couple of weeks you are also welcome to try out the system when you bring your child to Sunday School, \*spark\*, or other children's program. If you try out the new system before April 17, you get a nice name tag!

Pastor Kyle & Pastor Matt

To quickly set up your **KidCheck** account, open up your web browser and go to [go.kidcheck.com](http://go.kidcheck.com). Once you get there, simply select "Create Your **KidCheck** Account," and follow the easy on-screen prompts.\*

You can create your account from the comfort of home; it's simple and will only take a few minutes. Creating your account prior to April 17 will help us have a smooth transition and helps your first check-in go more quickly so you can get on your way.

Once you've created your account, you will simply use your 10 digit phone number to check-in!! It's that easy. So (Kid)Check us out!

\* Alternatively, you can download the KidCheck Mobile Check-In app from the [App Store](#) or [Google Play Store](#) to create, manage, and update your account right on your phone.

## I Am a Life that is Changed

by Annie Potter; photos by Michelle Lamkins

*If you knew the gift of God and who it is that asks you for a drink, you would have asked him and he would have given you living water. John 4:10*

One day I heard our clerk of session, Becka Simpson, say, “I don’t know the theme of the next women’s retreat, but the words, ‘Dive in’ are on my mind.” The Samaritan woman’s encounter with Jesus at the well began to call to me. After reading this scripture passage, I asked myself, “How can I know Jesus better, what is Living Water, and how do I lay my burdens down to tell others about Jesus?” My daughter Libby said “Mama,” (she calls me mama) “maybe you should pray about planning the women’s retreat at St. Andrew this year.”

With her encouragement I began to pray about the possibility. My prayers were filled with fear. “God,” I prayed, “I haven’t worked outside the home in years, I haven’t taken on a project like this in forever, and You know my struggles with mental illness. What if I become solely responsible for this retreat? Can I keep good mental health to see it through?”

One day I took a walk down Sunset Street, praying all the way about my fear of taking on leadership of the women’s retreat. Along the way, I stopped at a little lending library on the corner at Sunset and Arbury Drive. Inside the small library I browsed the books and discovered a picture book I recognized from my days as a children’s librarian in Ohio. I used to read this story at story times and the title is, (I kid you not) *The Little Old Lady Who Was Not Afraid of Anything*. God was listening to me and sending me a gentle nudge to start the conversation about the retreat, soon to be named *Come to the Well*.

The March women’s retreat was a meaningful time. Three times during the retreat John 4 was read aloud and six rooms were filled with women in Bible study. Good food, uplifting music, and a time of fellowship made for a unifying experience as we caught

up with our familiar friends and met new ones from other churches as well. Our art historian shared her own faith as she gave insights into paintings of the Samaritan woman’s encounter at the well. We were blessed by a sacred dramatization of a woman who “knew” the Samaritan woman, and as our time of worship came to a close, we shared Communion.

The *Come to the Well* retreat took a year of prayerful planning and depending on the Lord. He reminded me of many things:

- Fellowship with other women who love and serve God is vital to me for a closer walk with the Lord.
- I am loved! In a year of discernment of leadership and gifts, women said “yes” over and over again. I experienced the support of these women and was uplifted by loving prayers and affirmation.
- Serving the Lord with my gifts and love enables me to show gratitude, and say to God, “I love you too!”
- And as I step out in faith, God gives me more faith through His Living Water. He calls me to be in His Word, to seek out other believers, to spend more time with Him, and to believe...believe...believe in Christ’s resurrection power that transforms!

For women who missed part or all of the retreat, be encouraged in knowing that discernment has begun for future *Come to the Well* women’s gatherings. Keep your heart open for Jesus’ Living Water, and dive in! And to all of the women who served with me in making this retreat a reality I say, “Thank you for giving to the Lord! I am a life that is changed.”

If you are interested in serving on the St. Andrew *Come to the Well* women’s team, email Annie at [potterbeat@gmail.com](mailto:potterbeat@gmail.com).

## Iowa City MobilePack News

The Iowa City MobilePack Event is set to take place at the **Johnson County Fairgrounds on June 17th**. The event is 1 DAY ONLY this year, which means that volunteer openings will fill up extra fast. We will be opening up registration May 6 and are looking for 750 volunteers as young as five.

Our fundraising of \$33,000 has begun for this year's event, and we hope that you will consider supporting the project again. As always, we need all hands on deck, and at \$.22 a meal, absolutely every penny counts! We will be packing 148,000 meals, and our planning team has already raised \$2,190 to feed an orphanage for a year, which Mission, Outreach, and Support (MOS) has generously matched. We would love to raise another \$2,190 with your help to feed 3 orphanages this year!

A display has been set up in the Narthex with envelopes to submit your donations. Envelopes can be turned into the office or offering plate. Using an envelope helps ensure that they are spotted and directed to our event, so we thank you in advance for taking advantage of them. Watch the monthly *Messenger* for updates in May and June to see where the challenge is at!

From the bottom of our hearts, many many thanks for four years of continued support for this mission project. We couldn't do it without you! For more information, visit: [www.icmobilepack.org](http://www.icmobilepack.org) or email [icmobilepack@gmail.com](mailto:icmobilepack@gmail.com).

## HFH Interfaith Build Dates

As we reported in the March issue of the *Messenger*, St. Andrew will be taking the lead on a multi-church Habitat for Humanity (HFH) faith build this coming summer. Our session has allocated \$25,000 for the build which will provide a home for a family in need.

The Groundbreaking Ceremony for this build will be held on Sunday, **April 10** at 1:00 on the 800 block of 7th Avenue in Iowa City. Please plan on attending this important event that launches just one more way St. Andrew members and friends live into their purpose to be the body of Christ, living in Christ's love and serving as Christ served.

## MOS January 2016 Consent Agenda Summary

1. Continuing support in the amount of \$750 for the Geneva Lecture Series. St. Andrew has served for a number of years as one of the primary church co-sponsors, together with the Christian Reformed Geneva Campus Ministry. The Lecture Series brings noted Christian scholars to the University of Iowa campus from across all academic disciplines with the emphasis of sharing how one's Christian faith serves to inform scholarship in an academic discipline. St. Andrew is represented by a member on the Lecture Series Board.

2. Support of St. Andrew's "Lettuce Feed Others" outreach in the amount of \$1,000 (\$2,000 evenly split between MOS and the Men's Fellowship) to cover costs of preparing and fencing a new planting area for the St. Andrew gardening-for-others project on our Camp Cardinal property. The current garden has been overtaken by the building project and must be relocated in the spring.

3. Continuing support for the ministry and personal needs of Rev. Georges Cadet, Haiti, in the amount of \$100/month for six months, needs to be re-evaluated at that time. This represents an extension of support, at reduced rate, over several years as Georges completed seminary and planted a new church in the plateau region of Haiti, near Bohoc. The Men's Fellowship also has been in partnership with Georges providing major funds for land and building of the new church.

4. Information item: MOS reviews requests from individuals and groups to fundraise in the St. Andrew narthex. A policy has been developed, with major input from Heather Woodin, to ensure equity and fairness specifically among those St. Andrew children who are members of a Girl or Boy Scout troop offering cookies or popcorn for sale.

To be the body of Christ, living in Christ's love, serving as Christ served.

# With Our Eyes on Christ

*Gathering, Growing . . . Serving Together*

by Christina Donelson for the Capital Campaign Leadership Team

We write you from a beautiful place, one where we imagine the approach to our new church building. In our mind's eye, we see the cross visible from far back on the road. We see natural spaces that change with the seasons. We see busy shadows of children singing and hear the vibrating pipes of the organ.

Three years ago we started the *Our Journey with Christ* capital campaign. That journey came with uncertainties and challenges. Since then we have made progress, building essential infrastructure and completing our pledges. But the journey is not yet over.

The theme for our next three year capital campaign is *With our Eyes on Christ: Gathering, Growing . . . Serving Together*. The financial goal of the campaign is to sustain the funding of our current building project. More importantly, the spiritual goal of the campaign is to bind us together in shared vision. Our church members are passionate, talented, faithful people of all ages. We have strong ministries in music, children's and youth programming, and mission outreach. Expanding these ministries inspired our decision to build a bigger church on the Camp Cardinal property.

As campaign members, we care deeply about growing faith and serving others. Please review the campaign calendar below. We designed the events to offer something for everyone. We expect to find Christ in the faces of our friends, our community, and our fellow church members. We want to hear your questions, your stories, your challenges. We invite everyone to focus their "eyes on Christ".

## April 10, 17, & 24

### Storytelling Workshop in Adult Education

Please join us for one or more Sundays during Adult Education. We will be celebrating where we are as a church with a storytelling workshop. The first two Sundays start with a writing exercise and sharing our stories of faith in groups of twos or threes. The youth from confirmation and senior high Sunday school are joining us, so there should be lots of energy. On the final Sunday, we hope to present selected stories in a large group setting and perhaps include a "before and after" photo display.

## April 28, 29, & 30

### Days of Prayer

This all-church event guides us to pray together in small groups or other ministry teams. We expect to have 24 hours of prayer spread out over three days, each hour hosted by a different small group or ministry in the church. That means we need a LOT of people ready to pray for our church and our church members. We will use silent prayers, whisper prayers, singing prayers, and more. We really do want to have fun with everyone praying together.

## May 1, 8, & 15

### Challenge and Commitment

During this time, Pastor Matt will lead a sermon series about keeping our eyes on Christ as we follow God's lead in life. Together, we will explore the question of "What is God calling me to do?" at this all-important time in the life of St. Andrew. Detailed information about the campaign will be available in the Narthex on May 1, and leadership commitments will be announced one week later. On May 15 we will present our pledges and receive the First Fruits Offering.

To be the body of Christ, living in Christ's love, serving as Christ served.

# Caring Ministries

## Access & Inclusive Mission

St. Andrew will be hosting an informal interdenominational gathering for all religious communities on Saturday, April 30 from 9:00 am to 10:30 am in Fellowship Hall.

The purpose of the gathering is to continue the conversation inspired by the Rev. Dr. Timothy Little at our October workshop.

Please feel free to join us! Unfortunately, Dr. Little will not be able to join us this time, but we hope to move forward with his vision so that:

- \* All are welcomed into the fellowship of God's community,
- \* We can become aware of the unique needs of persons with disabilities,
- \* We can break down the barriers,
- \* And celebrate the unique gifts of all persons.

## Operation Backpack by Katie Pigge

St. Andrew has been housing Operation Backpack for two years now. Currently,

Horn, Weber and Borlaug schools are served. Christ the King Lutheran Church at 325 Mormon Trek Blvd. will house Operation Backpack for Horn during our transition time. We are working to see if they will cover Weber and Borlaug as well. Thanks to everyone who donates to Operation Backpack – whether through time to pack the bags or through donations of food. If you want to be added to the volunteer list, call or text Katie at 319/594.2257.

## Guatemala 2016

Sixteen St. Andrew missionaries left for Guatemala on March 12. When they arrived at their destination just two days later, they dug right in. Members of the group sorted and organized donations and supplies, worked on an ongoing construction project, and assisted with the medical clinic at the Happy Tummies project. The team arrived home safely and has lots of stories to share. Please keep praying for Impacto and the people they serve.

## One Spirit Membership Class

### Not a Member Yet?

Perhaps you have been a part of the life of St. Andrew but are not yet a member. Did you know that people who are not members of St. Andrew are welcome to participate in all the ministries and mission activity of St. Andrew? Non-members can worship, serve, participate in Sunday School, present their children for baptism, receive communion, and in other ways continue to grow in discipleship at St. Andrew. However, "Active Membership" (which is what the Presbyterian Church call membership) may still be an important step for you to pursue. Some people wrestle with whether or not they truly belong unless they are Active Members. Professing your Christian faith before the congregation in worship is a significant way to share and grow in discipleship. It certainly helps others in the congregation to recognize and know you as "part of the body of Christ" at St. Andrew.

### Join us for *One Spirit*

If you would like to know more about becoming an Active Member, we invite you to join us for our 2-step *One Spirit* gatherings. Our next gatherings will take place **April 17 and 24**. At the first gathering you will have an opportunity to learn more about the mission and ministry of St. Andrew. At the second meeting you will meet with a number of our elders and be welcomed as an active member of St. Andrew. If you want to be a part of a *One Spirit* meeting, contact Sarah Dyck, our office manager, at 319/338.7523, or Pastor Kyle at [kotterbein@saintandrew-ic.org](mailto:kotterbein@saintandrew-ic.org).
