Welcome Spring!

I think we can all say that Winter had its chance and we're ready for Spring to take over!

Looking on the next six weeks remaining in this school year, our faculty is focusing on finishing WELL! It is *not* our goal to just get through, to just get by, to just finish... it IS our goal to finish WELL. To continue to strive every day to breathe Jesus into these children and to be energized and enthusiastic to do it! Each morning before school, we are praying for you, your babies, your marriage, for each other... so that as we wrap up another year here, we can confidently say "That was a good year" in light of God's goal for this school.

All that said, we welcome your feedback, always! We believe that just as in all relationships if we are not actively trying to improve, then we are losing sight of our goal—which is serving each other through Him! Your constructive criticism is so important to us (and yes as is your positive and supportive feedback as well). So feel free to drop me a note/email of your comments.

We are looking forward to our exciting and fun WEECare SUMMER CAMP this summer! Information will be going home this week! You don't want to miss out on this fun experience all summer long! And it's a great opportunity for our students to stay connected and play through the summer.

Happy Spring!

Blessings,
Miss April

WEE CARE'S SCHOLASTIC KINDERGARTEN PROGRAM

Pre-K Parents, As you begin to think about Kindergarten for next year, we hope you will prayerfully consider our faith-based scholastics program, which is dedicated to academic excellence and strengthening our students' foundation of faith.

Our program provides a unique environment, specifically equipped to give your child one-on-one academic attention. This, in addition to our Stair Steps Curriculum,

nurtures our students to excel academically and socially.

You are encouraged to stop in to observe the Kindergarten class or visit during our February 7th Open House. If you are interested in our Kindergarten program for next year, you are strongly encouraged to reserve your child's place during the Open House.

Stop by the preschool office with questions.

Over 90% of our Kindergarten graduates go on to the Reach, Gifted, or Accelerated paths in the public and private school sectors; and nearly 97% are reading above grade level upon completion of WEE Care's Scholastic Kindergarten program.

MARRIAGE BUILDERS

Our Problems, God's Answers

Every couple has to deal with problems in marriage—communication problems, money problems, difficulties with intimacy, and more. Learning how to handle these issues is important to cultivating a strong and loving relationship.

One basic problem is at the heart of every other problem in marriage, and it's too big for any person to deal with on his or her own. The problem is separation from God. If you want to experience life and marriage the way they were designed to be, you need a vital relationship with the God who created you.

Marriage Builders Principle: *The effects of personal sin carry over into our marriages. Most couples eventually realize that they can't do it on their own. But with God's help, they can succeed. It is crucial to have a Christian accountability/support group to turn to for help in your marriage.*

MAKE A DATE to openly discuss how your own personal insecurities & sins are affecting your marriage. Is there a mentor couple you could reach out to for support as you learn to strengthen your marriage?

DATE NIGHT Friday, April 14, 2017 5:45pm – 8:45pm

DATE NIGHT Registration Form included with this Newsletter! Contact Miss April with questions.

The Marriage Builders information above is from “Managing Pressure in Your Marriage” by Dennis & Barbara Rainey. If you would like more information about the Marriage & Home Builders class offered at Fall Creek Church, contact Miss April or stop by the preschool office.

God of changing seasons, thank you that the frost of winter has melted into the colors and songs of spring. May all enjoy the beautiful weather and find inspiration, relaxation, and fun in your world! Bless all Your creation, Lord, that it may glorify Your name by its beauty, this spring and always. Amen

HAPPY BIRTHDAY!

WHY W.E.E. CARE?

In answering God's call to extend the ministering arm of the church, the purpose of our Weekday Early Education program is to provide biblically-based, age appropriate readiness skills for preschoolers and kindergartners as they learn to love God, others, and themselves.

Our over 15 years of excellence in scholastics has well-prepared our preschoolers and kindergartners to succeed in the public and private school systems throughout his or her entire scholastic career.

Make an appointment to visit our kindergarten classroom to find out why 97% of our kindergarten graduates go on to the accelerated, reach, or gifted programs upon leaving WEE Care!

And Jesus grew in wisdom and stature, and in favor with God and men.

--Luke 2:52
