

Hello Camp Friends!

My name is Shari Dalton! I direct Explorer and Discovery Camp here at Indian Creek. I live in Pekin, Indiana and am an elementary school administrator and a mom of three wonderful daughters. I fell in love with camp about 18 years ago when my own girls came to camp for the first time. What an amazing place for our kids to learn about Jesus! I have been a director and cabin leader every summer since then- and now my girls are also involved in cabin leading and camp staff!

We pack a lot into our Explorer and Discovery camp sessions and we keep our kiddos busy with fun and games, swimming, campfires, Bible study, chapel and crazy cabin events. Always there are two cabin leaders grouped with a small group of children to become a camp "family" during their camp week! We know they go home with lots of memories and new friends and we pray they will come back every year! As they grow older, camp can be a significant influence in their spiritual walk. We want them to love Jesus and that's what we pray for as we prepare for camp each summer. We promise to take great care of them while they are here and to expose them to lots of Jesus and lots of fun.

This summer our theme is **BEAR FRUIT**. We will talk about how God changes us and what our lives will look like as Christians.

If you have questions of any kind, please always feel free to call or email me! I want you to feel great about your child spending time with us this summer!

Much Love,

Shari Dalton 502-727-6867

## Dress Code

- **Shoes (or sandals) must be worn at all times. Being barefoot is only allowed in the cabin and in the pool area. For most of our games and activity times we require that full shoes (not sandals)**
- **Tank tops can only be worn if they are 3 finger widths at the top of the shoulder, and cannot reveal rib area or bra straps**
- **Swim suit covers (shirts for boys) must be worn to and from the pool (a towel does not apply)**
  - **Appropriate clothing must be worn at all times.**
  - **Inappropriate clothes include the following**
    - 1) Cut off shirts (unless worn with a tank top underneath)
    - 2) Any clothing that exposes your underwear or bra
    - 3) Spaghetti strap, racer back, or halter style tops
    - 4) Shorts must be at least finger-tip length and should not be rolled up at the waistband
    - 5) Any top that is low cut or cleavage revealing
    - 6) See through clothing
    - 7) Backless or split back tops (unless covered with an undershirt)
    - 8) Leggings, stretch pants, or yoga pants (unless covered by appropriate shorts)
- **Campers or cabin leaders who are found to be outside of dress code as defined by the above rules and by the discernment of session directors and management will be asked to change clothes**

## Common Policies

(for a full list of our camp policies and procedures, download them from our website at [campindiancreek.com/documents](http://campindiancreek.com/documents))

- Campers and Cabin Leaders should not bring electronics or electronic devices of any kind, including but not limited to: iPods or other Mp3 devices, Gameboy or gaming devices, laptops
- Campers **should not have a cell phone** of any kind while at camp. Any cell phones found will be confiscated and returned at the end of the camp session
- No weapons are allowed on the camp grounds, this includes; Knives (even pocket knives), guns, air softs guns, air rifles.
- No pets are allowed to be brought to camp (service animals are allowed)

## **Medical Check in Policy**

It is our policy to provide a short medical check in\* at the time of camper arrival with the following details:

- 1) Temperature check
- 2) Recent medical history check
- 3) Check-in of all medications and discuss their dispensation schedule with camp nurse (\*)
- 4) Head check for lice (\*\*)

\*Please note that this medical check-in policy is guided by regulations from our accreditation and insurance providers. We do this to keep your campers safe and healthy from the moment they arrive. This procedure takes time because every camper must receive the same time and commitment upon their arrival. If you have any questions or concerns, please direct them to the camp manager by calling 812-279-2161, or by completing one of our feedback surveys provided on our website ([campindiancreek.com/feedback](http://campindiancreek.com/feedback))

\*\* This head check is to confirm that no camper has lice upon arrival to camp. The individuals who are checking hair are experienced in identifying head lice in all of its forms (lice, nits, empty nits, and dead lice). While we understand the stigma behind head lice, we cannot make exceptions for those who have lice. Our policy will remain that the camper (and any campers who rode in the same vehicle) must leave the camp, but can return the next day if they have received treatment, at which time they will receive another head check from the camp nurse or manager.

Please note, the presence of any form of lice (nits, empty nit sacs, live lice, or dead lice) is cause for dismissal. If we find the presence of any form of lice, we cannot determine if there is still living, and contagious, lice on the campers clothing and bedding.

For other questions or comments,  
please call the camp 812-279-2161  
(Mon-Sat: 9am-5pm)
