## **FOCUS**

**7<sup>th</sup>-9<sup>th</sup> Grades**

*Focusing our talents and gifts in service to Jesus.*

**July 9-15, 2017**

Camp friends,

As the days are getting longer, the sun is shining hotter and we are spending more time outside, it must mean that it is almost time for CAMP! Our week of Focus camp will be an amazing week with new and old friends all spending time laughing, talking, playing and growing closer to Jesus. A day at Focus includes exciting worship times, Bible study, workshops of your choice and of course time to swim, fish, go boating, play Ga Ga and do archery. Our workshops are one of the things that makes FOCUS different from other camp weeks. **Campers can choose from sports, missions, music, art, drama, media, construction, culinary and more!** It is always fun and exciting to see our campers grow spiritually and intellectually in their workshops.

**On Monday night our theme will be "Clue!"** We will have fun solving a mystery together. Campers will be on a "Clue" themed team to try to solve the mystery. Just like the board game, we will ask our campers to dress in the color of their favorite character (Yellow-Colonel Mustard; White-Mrs. White; Purple-Professor Plum; Blue-Mrs. Peacock; Green-Mr. Green; Red-Mrs. Scarlett) Campers MAY bring an outfit for our theme night, but it isn't required. We will provide items for campers too. It is sure to be a fun night with a lot of laughter

About Me: I am a Special Education t  
Evansville, Indiana. I have been comir  
Indian Creek since I was in the 4<sup>th</sup> gr  
camper for years, then a cabin leader for years and  
now have been a camp director for about many years.  
It is a very special place to me. I love meeting new  
AND returning campers every year. There are SO  
many happy memories from weeks at camp. I always  
end the week physically tired but spiritually filled up -  
the same as the campers!

Joannie Hollis-Smith,  
Session Director FOCUS

## Common Policies

(for a full list of our camp policies and procedures, download them from our website at [campindiancreek.com/documents](http://campindiancreek.com/documents))

- Campers and Cabin Leaders should not bring electronics or electronic devices of any kind, including but not limited to: iPods or other Mp3 devices, Gameboy or gaming devices, laptops
- Campers **should not have a cell phone** of any kind while at camp. Any cell phones found will be confiscated and returned at the end of the camp session
- No weapons are allowed on the camp grounds, this includes; Knives (even pocket knives), guns, air softs guns, air rifles.
- No pets are allowed to be brought to camp (service animals are allowed)

## **Medical Check in Policy**

It is our policy to provide a short medical check in\* at the time of camper arrival with the following details:

- 1) Temperature check
- 2) Recent medical history check
- 3) Check-in of all medications and discuss their dispensation schedule with camp nurse (\*)
- 4) Head check for lice (\*\*)

**\*Please note that this medical check-in policy is guided by regulations from our accreditation and insurance providers. We do this to keep your campers safe and healthy from the moment they arrive. This procedure takes time because every camper must receive the same time and commitment upon their arrival. If you have any questions or concerns, please direct them to the camp manager by calling 812-279-2161, or by completing one of our feedback surveys provided on our website ([campindiancreek.com/feedback](http://campindiancreek.com/feedback))**

**\*\* This head check is to confirm that no camper has lice upon arrival to camp. The individuals who are checking hair are experienced in identifying head lice in all of its forms (lice, nits, empty nits, and dead lice). While we understand the stigma behind head lice, we cannot make exceptions for those who have lice. Our policy will remain that the camper (and any campers who rode in the same vehicle) must leave the camp, but can return the next day if they have received treatment, at which time they will receive another head check from the camp nurse or manager.**

**Please note, the presence of any form of lice (nits, empty nit sacs, live lice, or dead lice) is cause for dismissal. If we find the presence of any form of lice, we cannot determine if there is still living, and contagious, lice on the campers clothing and bedding.**

For other questions or comments,  
please call the camp 812-279-2161  
(Mon-Sat: 9am-5pm)
