

Girls Camp 2017

Hello friends,

First, we are so excited!

We are planning a fabulous week of camp for you. This year's camp theme is "Bear Fruit" and we will be studying the fruits of the spirit from Galatians. We hope that you have been praying, reading your Bible and spending time with God every day. Are you ready for an awesome week of friends, fun and Jesus?

We are! We've been planning this year since the last minute of the 2016 session. We will continue our tradition of Slumber Party night and don't forget Zumba in the chapel! We are so excited to see you and to spend time together this summer!

Lots of love,

Ana and Tammy

Theme Night: Yee-haw! Get ready for Cowgirl Night - bring your best western duds and be ready for some fun!

A Little About Us:

Ana Rynders is the Girls Camp Session Director. She says, "Indian Creek is the most heavenly place on Earth and my second home. The opportunity to commune with Christ and other believers here has made me the woman I am today. I am thankful for the ministry of camp and the amazing memories I have and will make in this place."

Ana lives in Bedford, Indiana with her dog, Hazel. Ana has a Bachelor's Degree in Elementary Education from Indiana University and is the fifth grade teacher at Needmore Elementary School. Ana went to ICBC as a young girl and has been volunteering as a cabin leader for over ten years. This is her 5th year as the Girls Camp Session Director.

Tammy Graham is the Girls Camp Session Pastor. Tammy is a youth leader and teacher. She loves working with young people and helping them to see that God is in love with them and how beautiful and purposeful their lives are! Tammy has been part of Church Camp her entire life and knows that God will use our week in a mighty way! He is greater! We are less!

Common Policies

(for a full list of our camp policies and procedures, download them from our website at campindiancreek.com/documents)

- Campers and Cabin Leaders should not bring electronics or electronic devices of any kind, including but not limited to: iPods or other Mp3 devices, Gameboy or gaming devices, laptops
- Campers **should not have a cell phone** of any kind while at camp. Any cell phones found will be confiscated and returned at the end of the camp session
- No weapons are allowed on the camp grounds, this includes; Knives (even pocket knives), guns, air softs guns, air rifles.
- No pets are allowed to be brought to camp (service animals are allowed)

Medical Check in Policy

It is our policy to provide a short medical check in* at the time of camper arrival with the following details:

- 1) Temperature check
- 2) Recent medical history check
- 3) Check-in of all medications and discuss their dispensation schedule with camp nurse (*)
- 4) Head check for lice (**)

*Please note that this medical check-in policy is guided by regulations from our accreditation and insurance providers. We do this to keep your campers safe and healthy from the moment they arrive. This procedure takes time because every camper must receive the same time and commitment upon their arrival. If you have any questions or concerns, please direct them to the camp manager by calling 812-279-2161, or by completing one of our feedback surveys provided on our website (campindiancreek.com/feedback)

** This head check is to confirm that no camper has lice upon arrival to camp. The individuals who are checking hair are experienced in identifying head lice in all of its forms (lice, nits, empty nits, and dead lice). While we understand the stigma behind head lice, we cannot make exceptions for those who have lice. Our policy will remain that the camper (and any campers who rode in the same vehicle) must leave the camp, but can return the next day if they have received treatment, at which time they will receive another head check from the camp nurse or manager.

Please note, the presence of any form of lice (nits, empty nit sacs, live lice, or dead lice) is cause for dismissal. If we find the presence of any form of lice, we cannot determine if there is still living, and contagious, lice on the campers clothing and bedding.
