

I am extremely excited to be writing to you about Camp 2017! This is my FIFTH year as Session Director of Special Person's Camp at Indian Creek Baptist Camp after being a Cabin Leader for almost TEN years! I am looking forward to making 2017 the best summer yet! I love ICBC and hope that I can help the campers have the same amazing experiences as I have had!

This year our camp theme is Bear Fruit, based on Luke 6:43-45 that says, “No good tree bears bad fruit, nor does a bad tree bear good fruit. Each tree is recognized by its own fruit. People do not pick figs from thornbushes, or grapes from briars. A good man brings good things out of the good stored up in his heart, and an evil man brings evil things out of the evil stored up in his heart. For the mouth speaks what the heart is full of. (NIV)” This year we will explore what it means to bear good fruit as well as how God gives us the ability to Bear Fruit.

As always, we will have a structured schedule of chapel, recreation, games, swimming, fishing, crafts, bingo, talent show, carnival, fireworks, and campfire, all while leaving time for rest and relaxation. Since Rodeo Theme night was such a success last year we are bringing it back!

This year our **Theme night** will be a **Luau!** So, bring you Hawaiian shirts, grass skirts and be ready to Limbo and maybe even Hula Dance!

If you or someone you know would be interested in serving with us as a cabin leader or nurse, we are always in need of extra help and willing hands! Service Providers are always welcome to come spend time with their particular campers!

I look forward to meeting and journeying with you again this summer!

Common Policies

(for a full list of our camp policies and procedures, download them from our website at campindiancreek.com/documents)

- Campers and Cabin Leaders should not bring electronics or electronic devices of any kind, including but not limited to: iPods or other Mp3 devices, Gameboy or gaming devices, laptops
- Campers **should not have a cell phone** of any kind while at camp. Any cell phones found will be confiscated and returned at the end of the camp session
- No weapons are allowed on the camp grounds, this includes; Knives (even pocket knives), guns, air softs guns, air rifles.
- No pets are allowed to be brought to camp (service animals are allowed)

Medical Check in Policy

It is our policy to provide a short medical check in* at the time of camper arrival with the following details:

- 1) Temperature check
- 2) Recent medical history check
- 3) Check-in of all medications and discuss their dispensation schedule with camp nurse (*)
- 4) Head check for lice (**)

*Please note that this medical check-in policy is guided by regulations from our accreditation and insurance providers. We do this to keep your campers safe and healthy from the moment they arrive. This procedure takes time because every camper must receive the same time and commitment upon their arrival. If you have any questions or concerns, please direct them to the camp manager by calling 812-279-2161, or by completing one of our feedback surveys provided on our website (campindiancreek.com/feedback)

** This head check is to confirm that no camper has lice upon arrival to camp. The individuals who are checking hair are experienced in identifying head lice in all of its forms (lice, nits, empty nits, and dead lice). While we understand the stigma behind head lice, we cannot make exceptions for those who have lice. Our policy will remain that the camper (and any campers who rode in the same vehicle) must leave the camp, but can return the next day if they have received treatment, at which time they will receive another head check from the camp nurse or manager.

Please note, the presence of any form of lice (nits, empty nit sacs, live lice, or dead lice) is cause for dismissal. If we find the presence of any form of lice, we cannot determine if there is still living, and contagious, lice on the campers clothing and bedding.
